Dear Farris,

Please pardon me for not answering your letter of May 13th before now. I found myself faced with a huge backlog of work when my campaign ended and too, we are now in the middle of our Spring term of Circuit Court, all of which has kept me on the go lately.

I am not personally acquainted with Mr. Roberts of Live Oak, but I have inquired around and from all reports he seems to be a person of high moral character, intelligent and well liked and respected in his community. From this I feel that he is going to be a good man and will very likely make a good record in the legislature.

If you have not received his pledge to support you for Speaker, please let me know and I will go to Live Oak and see him about it. I do have some very good friends in Live Oak who will be glad to help me in any way they can in the matter.

Please advise me.

Sincerely yours,

Prentice P. Pruitt
