Dear Ferris:

William H. (Bill) Bevis, of Fort Meade, telephoned me today and appeared to be somewhat concerned because he had received a letter from you which indicated that you may have chosen Mr. M. B. Seigler of that town as your 1960 campaign manager. Bill is under the impression that he will be so designated as city chairman at the appropriate time.

Could you bring me up to date so that I may clear up this matter in your best interest?

Sincerely yours,

Bill
