Dear Farris:

I have just been called out of town and will not be in Miami when you arrive Wednesday morning.

I have asked my secretary to call Ray Butler and ask him to take you to the Insurance Board Meeting and arrange to meet with you and other insurance agents that would like to talk to you following the meeting.

I would suggest that you call Bus Cordes at Mowhawk 1-5787 upon arriving and arrange an appointment with him. He has indicated that he would like to talk to you further.

I would also like to suggest that you call Buford Pedigo of the Jefferson Standard Life Insurance Company, Highland 6-0856.

I hope that the next time you come to town that I will be able to be with you at least part of the time.

Sincerely yours,

Robert L. Searle
