Honorable Farris Bryant  
House of Representatives  
Tallahassee, Florida

Dear Farris:

I see in the morning paper where you have been nominated for Speaker of the House of Representatives in 1953. Please accept my congratulations and best wishes to you for a most successful term.

With all of the confusion and corrupt politics that have resulted in shaking the confidence of a great many people in good government, I certainly feel that it is a healthy and encouraging sign to see a man of your type with your ability and background of honesty and integrity selected for this position of trust. I look back on the time when I was Speaker of the House as one of my most pleasant experiences. I am sure that you will enjoy that same feeling after you have served as Speaker. Please let me know if there is any way in which I can be of assistance to you at any time.

With kindest personal regards and best wishes,  
I am -

Cordially yours,

DAN McCARTY
