Honorable C. Farris Bryant
Monroe & Chambliss National Bank Bldg.
Ocala, Florida

Dear Farris:

We three in the Dade Delegation, have had a meeting and have agreed on the committee request on behalf of the various members of the Delegation, and I am enclosing under separate sheet the request.

There is only one conflict in the request, and that is the request of myself and Fascelle, each asking for appointment to the Public Amusement Committee, and we have agreed to submit the matter to you with the understanding that whoever you may choose to appoint on that committee, will be absolutely satisfactory to both of us, and that our only desire is that at least one of us be appointed on this committee.

We understand that there will be more than one judiciary, and we would like to have each one of us appointed on a judiciary and we do not care which one of the judiciaries as long as they are separate.

If you will note, we have also given you a list of preferences as to the chairmanships or vice-chairmanships.

With reference to my committee appointments, I would like to point out to you that I have been on Rules and Calendar for the three sessions that I have been in the legislature and have been vice-chairman for it twice. Last session I was a member of Insurance, Labor, Banks and Loans, and chairman of Judiciary A. I would particularly like to be on the insurance committee as I attended all of the hearings held by the joint committees and am thoroughly familiar with this legislation, and feel that I can be of real service there.

I believe that Dante and Bob have both indicated to you personally their experience and their reasons for being on the committees they requested.

Yours sincerely,

George S. Okell, Sr.
