Dear Farris:

I spoke with Jimmy Kynes yesterday and he informed me that you were planning to come to Miami a week from this coming Saturday (May 9).

Since I plan to be in Ocala this weekend attending the Alumni meeting, we will probably have a chance to chat for a few minutes or you may want to drop me a line, filling me in on the details of your coming trip and the arrangements you would like me to make for you.

Kindest regards,

Cordially yours,

  
James Lawrence King
