Hon. C. Farris Bryant
Munroe & Chambliss National Bank Bldg.
Ocala, Florida

Dear Farris:

I discussed with Doug yesterday the possibility of riding up to Ocala with me on Sunday, December 23rd to discuss the problems which I will be confronted with in my approaching race.

We would like to see you then in the afternoon about 2:00 o'clock. If this date and time are convenient with you please advise.

I know it is only two days before Christmas but it seems to be the only time before the end of the year that Doug and I can both get away at the same time.

I would like for Doug to come along because he is much more familiar with the local situation than I am. Trust this will be O.K. with you.

With kindest personal regards, I remain

Sincerely yours,

Mack N. Cleveland, Jr.
