P. O. Box 563
Ocala, Florida

Dear Farris:

I am dictating this letter on the run as I am catching the Tallahassee plane at 6:30.

I made a complete check of the usual sources to discover what I could and found nothing other than what I already know. One source did say that it could possibly be Lantaff. Lantaff, Borden and Herrell have always hung pretty closely. I appreciate your thinking that a Dade County man in the race carrying Orchard Villa on his back would help you.

I have to be in Sanford and Orlando on Tuesday and Wednesday, March 10 and 11. I will try to catch you in for a telephone chat at that time because there are some interesting points I would like to discuss with you concerning the telephone call you made last Sunday night to me.

Yours very truly,

ROBERT L. ACHOR
