Mr Farris Bryant;
Ocala, Florida.

Dear Mr Bryant;

I want to congratulate you on your Election yesterday for Florida Next Governor. I know that you can best serve best by far than any other man in this race. I worked hard for you all day asking the people to vote for you and that they would not be sorry. I think that we did a good job here in Jacksonville and Duval County for you. I am very happy for the vote that you got here.

I went ~~to~~ to Putman County and contacted the Burns workers and made the arrangements for Mr Foerster to have them contacted by one of his workers down there and get them with us, So you see what that County done for you. I have done every thing that I could for you, I also got some help for you in Suwannee County, that was for Burns in the First Primary. So I wish you all the good luck in the World as Governor of Florida.

Sincerely Yours,

Worth Hall.
