Duval Hotel

Dear Bob:

This confirms our telephone conversation of today in regards to the 44 rooms reserved for friends of Farris Bryant.

A telephone conversation yesterday authorized me to advise you that he will be responsible for the payment of the reservations for the 44 rooms, at the rate of \$20.00 per room for the two (2) days of the inauguration in January.

As soon as time permits, he will give us the names of the people assigned to the rooms. You can then confirm their reservations and request their deposits. Should any cancellation occur, I will assign others to the rooms and assure you that each of the 44 rooms will be occupied and paid for.

I want to try to save at least a half dozen rooms for last minute requests to Farris.

I want to take this opportunity to express Farris's appreciation and mine for your fine cooperation.

Yours truly,

Broward Williams
