Dear Mary:

One of the nicest things about the Convention was the opportunity to be with you. I appreciated so much the courtesies you extended and the confidence you expressed.

During the next two weeks I will be reviewing the situation here in Florida preparatory to deciding just what to do and how to do it, and I hope you will let me have the benefit of your views. Senator Kennedy's staff has indicated that they want me to come to Washington in about two weeks for a conference with him, which is still tentative, so if I can hear from you at your early convenience it will be a great help to me.

I am going to be covering the State continuously, and look forward to seeing you soon.

Sincerely,

Farris Bryant
