Re: Meeting with Mr. Bryant and the Central  
Florida Flood Control Board in West Palm  
Beach on Saturday, August 27 at 2 P. M.

Dear Mr. Morris:

Thank you so much for your letter of August 8 confirming the above meeting.

I appreciate your suggesting that we meet in the same place that you plan to conduct your work session but one of the principal reasons that we wanted to have this meeting with Mr. Bryant, Mr. Conner and Mr. Adams was that by having it in the Flood Control Headquarters Office in West Palm they would have available the various maps, etc., that would be needed in explaining their project.

I have already contacted Mr. Conner and Mr. Adams and they will meet with us at the Headquarters Office in West Palm located at 901 Evernia Avenue. Unless we hear from you to the contrary, we will assume that this arrangement is agreeable to all.

Cordially yours,

J. J. Griffin, Jr.
