*This poll
is some
is some organization
country. I suggest they
send a list of names all, and
not just the names of the
local phone book. MS*

Mr. Max Brewer
P. O. Box 563
Ocala, Florida

Dear Max:

I am enclosing herewith a clipping from the March 22nd issue of the News Tribune.

In explanation thereof, please be advised that the local McCarty supporters are a bunch of young Jaycees who may probably have voted more than one time. I can't believe that the poll is true, but I was pleased to see Farris in second place, in any event.

Just passing this along for your information.

Most sincerely,

Bill
