Honorable C. Farris Bryant
Representative, Marion County
Ocala, Florida

Dear Farris:

On Friday of this week, Blee and I will be in Gainesville for a conference concerning information needed in our study of the institutions of higher learning. There are several problems which I would like to discuss with you and, if it is convenient to you, we can be in Ocala not later than 2:00 o'clock Friday afternoon.

The problems concern personnel, instructions from your Committee on Reorganization, and the question of additional staff services to the Legislature during the session.

Looking forward to seeing you then, and with best regards, I am,

Sincerely,

S. Sherman Weiss
Director
