

December 19, 1952

S. Sherman Weiss, Director  
Legislative Reference Bureau  
310 City Administration Building  
Tallahassee, Florida

Dear Sherman:

I have received a proposed report of committee on tax re-organization, and believe it correctly expresses the wishes of the committee as determined at its last meeting in Palatka. I do not believe it will be necessary to have these duplicated for distribution in Miami, but I do wish you would have a copy along in case I forget mine.

Enclosed please find the memorandum of travel form which I will leave you to fill out in proper form.

I believe that you have already received the names of the persons selected to participate in the instruction of new House members, and can therefore proceed with your program. There has been some agitation by the new members of late to have this instruction period held during February or March, and we may advance the date in that fashion.

If you have the records in your office I would appreciate advice by you as to the amount of travel money which I have received during the calendar 1952.

With warmest regards and best wishes for the holiday season  
I am

Sincerely yours,

C. Farris Bryant
