

HB 415

(Legislation recommended by Circuit Judge Conference)

House Bill No. 415 provides that Section 65.02, Florida Statutes, be amended so as to require that the plaintiff shall have resided in the state for a period of one year before the filing of a bill of complaint for a divorce. Section 65.02, Florida Statutes, now provides that the complainant must have resided 90 days in the state of Florida before the filing a bill of complaint. The purpose of this bill is to keep the state of Florida from becoming a "divorce mill".
