

AB 416

(Legislation recommended by Circuit Judge Conference)

House Bill No. 416 provides that Section 74.01, Florida Statutes, be amended so as to include subsection 3 of section 74.01, Florida Statutes, 1949, which was erroneously deleted by section 1, chapter 26921, Laws of Florida, acts of 1951. The law as to proceedings supplemental to eminent domain (74.01) included provisions as to housing authorities. The legislature intending to amend section 74.01 by doing away with the housing authorities inadvertently omitted subsection 3 of section 74.01, which sets out the contents of the declaration of taking which is provided for by subsection 1 of section 74.01, Florida Statutes, 1951. This bill merely puts into effect once again the requirement as to the contents of the declaration of taking.
