Mr. E. Freel Singleton  
c/o Hon. Amos H. Davis  
House of Representatives  
Tallahassee, Florida

Dear Mr. Singleton:

We find, since the session is underway and the routine is established that we will be able to effectively serve the House without an extra night-watchman. Therefore, we will terminate your services as of May 6th, the 30th Legislative day.

We do appreciate you helping us get the House started in good style. We feel sure, as a citizen, you will appreciate our effort to get the job done economically.

Sincerely yours,

E. B. McFarland
