Dear Charlie:

It was good to hear from you. I regret that my illness and that of my secretary has prevented a reply before this.

Since talking with you I have been set down by the Circuit Court of Appeals in New Orleans for an argument on March 9th. This will make it impossible for me to attend your gathering.

I therefore request that you amend your proposed letter so as to eliminate my signature but indicate in the context that I have approved the meeting.

With warmest regards and best wishes for a successful meeting I am

Sincerely yours,

C. Farris Bryant
