

January 3, 1963

MEMO TO THE PRES CORPS

Governor Bryant is pleased to announce the appointment of Dr. Leo M. Wachtel of Jacksonville as member of the Florida State Board of Health. Dr. Wachtel succeeds Dr. Sahbel C. Williams, also of Jacksonville.

Dr. Wachtel is a past president of the Florida Medical Association and presently serves as a member of its Board of Governors. He is past president of the Florida Academy of General Practitioners and is a member of the Jacksonville Chamber of Commerce.

Dr. Wachtel is a native of Savannah, Ga., graduated from Emory University and Jefferson Medical College at Philadelphia, Pa., He served his internship at St. Vincent's Hospital, Jacksonville and in 1940 entered the private practice of medicine, which he still maintains. He is married and has two sons, both students at Emory.
