TALLAHASSEE, FLORIDA

Dear Board Members:

Please read the enclosed minutes of the April 6 board meeting and note now any corrections or additions which should be made so that you will be ready to amend or approve the minutes at the first meeting in the fall. Dates for the meetings of the coming year will be set soon, and you will be notified of all three meetings before the summer is over. At the same time the new committee assignments will be mailed. Chairmen of the committees are as follows: Program and Policy - Frances Cannon; Personnel - J.P. Floyd; Property - Orlis Causseaux; Budget and Finance - Hugh Adams.

New board members will probably find it helpful to read these minutes to become acquainted with the work of the Board.

The letter attached to the minutes is Dee's "good-bye" letter to the Board. Reading it will not only give you an appreciation of the quality of staff leadership which Deanna Edwards Burner has given to the Wesley Foundation work, but it will also give insight into the nature and depth of the work that goes on among our students.

Miss Jane Stents arrived June 1 to work with Dee for a few weeks before Jane assumes full responsibility for the area of work which has been Dee's. We are most fortunate in having a person with Jane's qualifications to join our staff.

At Annual Conference in Lakeland this past week, the Reverend Richard England was appointed by the Bishop as our second minister to work with Austin at the Wesley Foundation. Dick has been serving at St. Paul's Methodist Church in Tampa and comes with a great deal of experience in student work and an unusual understanding of the Wesley Foundation program. Dick will arrive on Thursday of this week. His wife, Joan, and their two boys will be staying in Miami with her family until the parsonage at 509 Murphree street is ready for them to move into. By the time Dick and his family are settled here, their third child should have arrived!

Director-Minister, Reverend Austin E. Hollady, Program Director, Miss Deanna Edwards.  
Student Officers: President, Fanny Farrow; President of Call Council, Carol Jennings; President of Concern Council, Rosette Spinks; President of Convalescent Council, Clark Thompson; Secretary, Linda Nottingham; Treasurer, Doug Hatch.

Fellowship

A Board committee (Mrs. Victor Johnson, Mrs. Jack Detweiler, and your Board Chairman) has been at work arranging for the reconditioning and furnishing of the parsonage on Murphree Street. We should be ready to finish the work in a short time after the present owners move out.

Since there will be a long period in here without a meeting of the Board, I will keep you informed by mail of any major developments or problems arising. Have a good summer!

Sincerely,

*Dot Binger*

Mrs. Robert Binger  
Chairman, Board of Directors
