

September 1, 1967

Dear Bill,

Your arrival in May was one of the real spurs for progress at OEP.

As you now take leave for reasons of health, I want you to know how much I appreciate what you have achieved, and how much we all wish for you a complete and speedy convalescence.

We'll miss you a great deal.

Sincerely,

Farris Bryant
Director

Mr. William Truppner
Office of Emergency Planning
Washington, D. C.
