Dear Dr. York:

You were kind to say that about my speech. As a matter of fact, that speech includes most of the ideas I presented at a "dare" meeting in Gainesville several years ago under the auspices of E. T. York, Jr.

Sincerely,

Farris Bryant  
Director

Dr. E. T. York, Jr.  
Provost  
University of Florida  
Institute of Food and Agricultural Sciences  
Gainesville, Florida
