Dear Mr. Antolini:

I was glad to hear from you, and to read the newspaper reprint of your ingenious idea. I believe that it has merit, and suggest that you send it to another Floridian, The Honorable Alan Boyd, Undersecretary of Commerce, who apparently will be in charge of the traffic safety activities of the Federal Government.

I have occasion to see Mr. Boyd from time to time, and will make it my business to call his special attention to your letter.

It was good to hear from you.

Sincerely yours,

Farris Bryant
Director
