Documents Librarian  
The University of Florida

Dear Miss Apperson:

I am enclosing copies of news conferences held during my term as Governor of Florida, and which you indicated in your letter of May 18, were lacking in your files.

I know of two conferences, October 24 and August 24, 1961, which your records do not reflect, and for which no transcripts are available.

While going through the files, I discovered that you have copies of some that I do not have, and I would very much appreciate your sending them to me. They are:

February 21, 1963  
September 20, 1963  
December 12, 1963  
May 14, 1964  
May 28, 1964.

A copy of Time for Florida was mailed to the University of Florida Library last summer; however, I am, under separate cover, sending another to you.

Thank you for your patience.

Sincerely yours,

Farris Bryant  
Director
