

June 23, 1966

The Honorable John A. Voipe  
Governor of Massachusetts  
State House  
Boston, Massachusetts

Dear John:

The President had hoped to be in attendance at the Governors' Conference in Los Angeles, but that will not now be possible.

As I told you, he had hoped to see you then, and looks forward to seeing you soon.

Sincerely,

Farris Bryant  
Director
