Honorable Paul G. Rogers  
House of Representatives  
Washington, D. C.

Dear Paul:

I know that circumstances are such that the request which Dudley H. Barnes (Captain, Artillery, Service No. OF103695) is making for release from active service should be approved. He is a responsible, reliable man and his request is entirely reasonable in my judgment.

Mrs. Barnes is the daughter of our mutual friends, Mr. and Mrs. Ersel Mixson, of Belle Glade. They and I will appreciate any help you give in getting Dudley's request approved at an early date.

Sincerely,

Farris Bryant  
Director
