The Honorable Nelson A. Rockefeller
Governor of New York
Albany, New York.

Dear Nelson:

Our joint conference was most productive. It was, I think, helpful not only in our relation with New York, but also helpful to us in planning the other State meetings which follow.

It was particularly pleasant to have an opportunity to greet Mrs. Rockefeller and your little tiger.

We are going to follow up on the "items of business" developed, and I hope you will feel free to call me any time I can be of assistance. I will let you have a report on the Fort Totten matter.

Sincerely yours,

Farris Bryant
Director
