Dear Governor:

On behalf of our officers and Trustees, I would like to express our gratitude to you for your participation in our conference last Tuesday. Your talk made a strong impression on the audience and we appreciate your willingness to undertake this chore.

Later I will send you a transcript of your talk for review before we print it in the proceedings.

I am sorry you were unable to stay for the luncheon (or for the balance of the day) but I understand that you are on quite a tight schedule. If you will send me a statement of the expenses you incurred, we will reimburse you for these.

Again many thanks for your contribution to the success of our conference.

Sincerely yours,

Alfred Parker
Executive Director
