

ADVISORY COMMISSION ON INTERGOVERNMENTAL RELATIONS
Washington, D. C. 20575

COPY

June 24, 1969

Honorable J. D. Hodgson
Under Secretary of Labor
U. S. Department of Labor
Washington, D. C.

Dear Mr. Under Secretary:

This is in response to your letter of June 13th regarding the draft report before the Advisory Commission dealing with "Labor-Management Relations in the State and Local Public Service." I appreciate receiving your views on one portion of the report and I am circulating a copy of your letter to each of the Members of the Commission.

The Commission took no final action on the draft report at its June 13th meeting, although tentatively adopting several recommendations. At the hearing preceding the Commission meeting some support was voiced by representatives of State and local government for consideration of the section of the report about which you raised questions in your letter.

The next meeting of the Commission will be held on September 19 and your Deputy, Mr. Millard Cass, will be receiving from the Commission's staff a copy of the revised alternative recommendations in sufficient time for you to react to the new language.

Thank you again for your letter.

Sincerely yours,

Farris Bryant
Chairman
