Dear Jud:

Replying to your letters of July 16th and July 28th which I have not previously had the opportunity to answer:

I look forward to meeting with you in Frostproof on August 23rd and will welcome the opportunity to ride down with you or have you ride with me whichever may prove most convenient.

I am returning to you as per the note House Bill Number 414 of the Oklahoma Legislature. That is an extremely interesting proposal and I think we should bring it to Dan's attention.

I have not had an opportunity to read or even scan the other material you sent me upon the activities of the Oklahoma Council, other than to note that those activities are much broader than ours, and the membership is obviously much greater. I look forward to reviewing them at leisure if I may do so.

With kindest personal regards I am,

Sincerely yours,

C. Farris Bryant
