

April 19, 1954

Mr. L. H. Peterson
Executive Vice-President
American Cancer Society
Florida Division, Inc.
416 Tampa Street
Tampa 2, Florida

Dear Hugh:

Thank you for your round-up of April 16. The news from Dade and Duval is certainly wonderful.

This letter is being dictated on Saturday. I will call Mr. Coleman in Orlando on Monday as you suggested and will let you have a report.

I would appreciate a note from you to Mr. Boyd, or better still a telephone call to check with him to see how they are doing.

I will dictate today a letter to Mrs. Kiser as you suggest.

I will not be able to make the meeting in West Florida on April 29 because at that time I will, with my wife, be attending the Bar Convention in St. Petersburg. If the date is changed to the first of May I will be glad to go.

I am returning the one certificate which you sent signed by me, and would like to put my personal signature on the other certificates rather than having the stamp used.

With warmest personal regards, I am,

Sincerely yours,

Farris Bryant

bb Enc.
