

Barrie Bryant

Sincerely yours,

For myself personally, for the State Headquarters, and for all those who will benefit by your devotion to their cause, I thank you.

I am very proud of your remarkable achievement in exceeding your quota in Dixie County, and want you to know that your work is an inspiration to me, and to Unitas and workers all over Florida. I wish that I could thank each and every individual whose contribution made that possible. Since that cannot be done, I hope that you will find some way of expressing our gratitude to the individual workers.
