

FIFTH ANNUAL LEGISLATIVE WEEKEND
SARASOTA, FLORIDA
JANUARY 12, 1964

Ed Price
Russ Jordan
Jack Hasson

Climate
Community desire
Combat conditions
Cost

Financial picture

All appropriations met, small balance

Includes 1959 capital outlay unmet

Development Commission balance

Emergency and deficit balance

Revenue certificates net \$25 M to science program

Salary exceptions

Industrial Commission

Board of Health

Universities -- low resignation rate

Capital Center program

We face great capital outlay needs

Universities

Conservation

Buy 1970 land with 1970 money

Balanced approach -- pay as you use -- planned and authorized

Road program

We have corrected most weaknesses

We have an arterial program

Interstate program accelerated

Reapportionment

Almost enough votes

(French Parliament)

Evasive answer

Included are 1/3 who disagree

Can't hold lightly that kind of trust

Under Attorney General memo still have time

Am not calling special session
