Genl.,

I wrote to Genl. Cleburne asking him for a copy of the article he read at our meeting on the night of the 2<sup>nd</sup>. I informed him that I feel it my duty to forward the document to the War Department which I intend to do. He has sent it and avowed himself its author. Will you please inform me whether you favor the propositions of that document in any form. A similar letter to this I shall address to each of the gentlemen who were at that meeting & their answers will be sent with this document for I don't wish to misrepresent anyone. You will oblige me by sending an answer today as I wish to send off the article tomorrow.

I am genl.  
Very resp. yours
