The Caribbean Staff of 1935 presents this year's Annual to the student body, the faculty and the general public with the hope that it will refresh the memories of those concerned of the happy days spent in school.
Dedication

E, the Class of 1935, dedicate this, the eighteenth edition of "The Caribbean," to our advisor. We hope that it will be a suitable way of showing our untold appreciation to him who devoted his time to the interests of the class.

MR. HARRY FRINGER
C. H. S. FACULTY

C. H. S. has at its head a principal who has done very much for our school and has made it a school from which we are very proud to graduate. The fact that the Student Association has been such a great success is due to Mr. Frank's strenuous efforts to make us realize what a real high school needs, "school spirit."

The Language Departments, French, Latin, and Spanish are prospering under the teachings of Mrs. Phyllis Spencer and Miss Mary E. Moore. Mrs. Spencer also sponsors the Junior-Senior Dramatic Club, the National Thespians, and the Spanish Club. Miss Moore, in addition to supervising the mimograph department of the Trade Wind, was also the supervisor of the Carnival.

Miss Patterson, who is at the head of the three commercial classes, is also the chairman of the assembly committee. The assemblies have shown great improvement this year under her guidance.

Although this is only Miss Liter's second year with us, as English teacher, the students are very fond of her, and they do not seem to mind the contracts that she assigns so freely.

Miss Broad, who teaches Freshmen and Sophomore English, has also undertaken the difficult tasks of handling the library, and she has had great success in accomplishing her purpose.

Mr. Meyer, in addition to teaching his elementary and advanced mathematics classes, is sponsoring the Junior class this year and is also sponsoring the Caribbean.

The Household Arts Department this year has been under the guidance of Miss Ferne Bowman. The cafeteria has been a success this year again, due to her capability and efficiency.

Not only does Mr. Vinton, our science teacher, turn out great scientists, but also A-1 athletes. He has been very successful in arousing the spirit of the boys when it comes to athletics.

This year, instead of "charts and maps", Mr. Hackett's favorite pass word is "notebooks are due such-and-such a date." But the students themselves have to admit that when one finishes one of Mr. Hackett's subjects, they know "lots" more on going out than when they entered the class—he sees to that. Mr. Hackett also sponsors the "Trade Wind."

Miss Bailey and Miss Smart should be given much credit for turning out some very good athletes as well as limbering the girls up by the point system that they have put into effect this year concerning the work of the girls.

The High School Orchestra, the Boys' Glee Club, and the Girls' Glee Club have proven to be very successful this year, but it was only because of Miss Elner's co-operation and hard work that pushed them on to victory.

Mr. Seiler seems to be working the boys quite hard this year, but maybe that's what they need. Regardless of what is said, most of the boys seem to enjoy doing such hard work (as some call it).

In Mr. Fringer's departments, we find that instead of Mr. Fringer handling all 5 departments alone, he has an assistant, Mr. Siminski, who is now this year. The departments under the management of these men, are prospering very well. Mr. Fringer is also the sponsor of the Senior class. Mr Siminski is the Sponsor of the Sophomore class.

Our other mathematics and science professor is Mr. Miller who teaches Algebra 9 and General Science. He is also the advisor of the Photo Club and the Chairman of the Student Council.

CLASS HISTORY

Margaret Barnard ’55

After four years of pulling together, the Class of ’55 is about to bring its long apprenticeship to a close.

All its members are full-fledged workmen, ready to be turned out into the unknown regions of a turbulent world. As in everything else, they face this without flinching and are prepared for the best or worst.

In our first year of filling our positions we represented the most scoffed at class in the school—the “Scobies”.

Much to the surprise of our colleagues we put across a Depression Dance that was a great success. Of course this would have been more difficult without the guidance of Miss Brown, the teacher that stayed such a short while and that was missed for the longest.

The good humor of the class was hard to lose with Bert Asencio cutting up all the time. You remember, he was noted as the wittest boy back in ’52.

So the first year of the apprenticeship passed and tho’ we had been brought down a few pegs as Fresh, we planned to reach the top in the next few years.

In our Sophomore year athletics were approached rather gingerly both by boys and girls; Lloyd, Max, Johnny Paris, and Robert Neely all kept up the pace set by their older brothers with admirable persistence. Ruthie, Margaret Reinhold, and Mary Ann all helped the girls to do their part.

After bake sales and candy sales the April Fool Dance was given. The novelty number helped this to be one of the biggest hits of the year.

As Juniors we seemed to crash into the limelight. The Junior play, “Happy Landings,” was well received. The Annual dance was greatly enjoyed.

Everybody seemed to have something to do and the year passed quickly ending with the biggest event of the year for us—the Junior-Senior Banquet.

As Seniors, we felt our prestige grow. Others of our classmates who were less fortunate had gradually been allowed to wander from the flock. However, new ones had taken their places and the class went on.

The weekly newspaper was at its best under its editor, Edgar Borden. The annual work was coming along rapidly.

The Senior Dance was already a thing of the past and final exams were glaring us in the face. We gloomily gave them thought, at the recollection that they were the last we would ever take at Cristobal High School.

The Jr. Sr. Banquet arrived and the Juniors made it an event that will be long remembered.

As Baccalaureate and Commencement rapidly approached, we were suddenly caught up in a wild rush of preparations.

At Commencement we sat quietly and thought back of all the wonderful times that we have witnessed. It is rather hard to believe that they are over and with a sigh we try to pierce the future.

May all the classes that follow try to come through obstacles as we have tried. It’s a long, hard pull but worth everything that is put into it, and the recompense is a life that has begun with helping hands on all sides—a life with a good start.

CLASS WILL

by

Allen Jacques and Edwin Hanna

We, the Class of ’55 about to graduate from Cristobal High School realize the stupidity of expecting the Juniors to co-operate with the Faculty as we did, and to rightly carry the title of Seniors. However, as we are about to pass on into the wide beyond, we cannot be choosers.

As a whole we bequeath to the Faculty our appreciation for the work and time they have spent on us to impart to us the knowledge that we now have.

Individually we make the following bequests:

MAX SANDERS bequeaths his ability to do things with the least amount of effort to Howard Wills.
MARGARET BARNARD and KATHLEEN GOODENOUGH leave their ability to "yes, yes" their way through English to Lydia Gravatt and Nora Hewitt.

OLGA ROE leaves her shortness to Edith Wilkran and Elizabeth Collins.

BERT ASENSIO and CHARLIE HEIM leave to Paul Barnett and James Days their cheer leading and ability to run specials.

JACK DWYER leaves his beard to Ward Davies.

JACK LONG leaves his ability to fish and tell fish stories to Donald Townshend.

WILLIAM WIRTZ leaves his ability to build floating boats to John Dignam.

JACK EGOZCUE leaves his piano playing to Theodore Aanstoos.

PAUL BEARD bequeaths his ability to get black eyes to Robert Wirtz.

WILLIAM BEERS wills his modesty to Julio Dominguez.

CLAUDE BERGER leaves his ability to fake injury in gym class to William Hanna.

EDGAR BORDEN bequeaths his ability to get something for nothing to Edward Durham.

RALPH DAVIS wills his photographic ability to Mike Fernandez.

MARY ANN CARRUTHERS her irresistible qualities to Muriel Hanna and Evelyn Dwyer.

BUD LEACH his boxing ability to Joseph Retally.

MARGARET HOLLINGSHEAD leaves her literary ability to Mary Goulet and Mary Griffin.

RUTH WIKINGSTAD her stenographer's job in the office to Hope Hallowell.

ELEANOR MULLANE leaves her calmness to Rachel Cuesta and Olga Dominguez.

ANNA REILLY leaves her presidencies to Doris Ebdon.

CHARLOTTE RANDALL wills her dramatic ability to Virginia Thomas.

WILLIAM DOUGHERTY leaves his reverendship in English class to Wendell Cotton.

EDWIN HANNA sadly bequeaths his first class junk car to Edward Curtis.

MARY RUTH RIEDEL leaves her masculine walk to May Appel.

JAIME RIEDEL leaves his soccer shoes to William Hill.

JOHN HAMMOND leaves his evenly distributed weight to Charles Mead.

MALCOLM DUEY wills his "shine" shirts to Frank Anderson.

HERBERT PHILLIPS and PAUL GREGORY leave their statuesque physiques to Armando Gasperi.

ROBERT NEELY leaves his hollow leg to Paul Farrar.

JOHN PALM leaves his ability to collect late parts of the Caribbean to Donald Townshend.

GEORGE LANE wills his ability to be absent from school to Alice Hobart.

JOHN TARA gladly wills his Senior Class spirit to May Appel.

MILDRED LEACH leaves her long engagements to Elva Estenoz.

DOLORES PALMER bequeaths her winning smile to Louise Snyder.

GUY DE BARDELEBEN passes on his ability to resist girls to William Hanna.

JOHN PARSONS-WILL leaves his ten o'clock good-nights to Wendell Cotton.

DAVID MARSHALL his love for English and History to Agnes Reink.

ROBERT G. PETERSON wills his great love to Edward Curtis.

IRL SANDERS wills his ability to forget to remember assignments to Dorothy Hoecker.

RAMON MOYNES, his ability to sit out dances to Paul Barnett.

ROBERT KING wills his parties at the point to Paul Farrar.

TOM RUSSELL leaves his camera build to Howard Wills.

ARTHUR SMITH leaves his long experiences in school to Martha Rogers.

LETA DEAKINS, her typewriter to Jane Starke.

DOROTHY DUNN and JANE HUNTTOON leave their exclusiveness to Frances Patchett and Ruby Lyew.

EILEEN FORD, her wad of gum to Eula Mae Plath.

ANNIE L. TURBERVILLE leaves her easy way of doing hard work in Chemistry to Virginia Sanders.

ROBERT J. PETERSON wills his chemistry stock room job to Robert Moot.

ALLEN JACQUES bequeaths his gossip getting ability to Virginia Thomas.

Signed,  
Senior Class of 1955.

Author's Note: When I was given the task to foretell the future of the Class of 1955, Seniors of Cristobel High School, I knew that I was not the “seventh son of a seventh son” and regardless of how much I tried dreaming dreams and seeing visions, the future remained a blank. I then decided to consult one in a position to know our past as well as predict our future. However, he informed me that his sentiments were similar to what Antony had said of Caesar. This remark of his grieved me as I know how fond of praise we are. I left his office feeling blue and discouraged. My thoughts turned to what “old timers” say: “We stand suspended between Monkey Hill and Corozal”. I felt so depressed, especially when I recalled all the home work I had to do. That home work was the last clear thought I recall until I awakened this morning in a strange bare room.

I felt stiff and could hardly rise from the queer steel cot on which I found myself. I tried to call loudly but my voice was hoarse and strange. Immediately an old man came to my room and spoke to me. I asked him, “who are you?” In a cracking voice, he replied patiently, “I am Dr. Allen Jacques, in charge of the inmates of Corozal.” “Corozal!” I exclaimed. “Who am I?” I faintly inquired. “You are the lassie with the Scottish name”, he answered trying to be cheerful. “Oh, Allen, where are the others—the other boys and girls of our class of 1955?” He looked serious and said, “Those who are not here at Corozal rest beneath the palms at” Monkey Hill”. This, my dear old lady, he continued, “is the year 1999.” “What!” I gasped, “Am I crazy or are you crazy?” He replied, “Calm yourself, and I will take you to read their epitaphs.

The Junior Class this year has appeared in the limelight quite frequently.

Their first class meeting was held, with Mr. Meyers as sponsor, to elect their officers for the year. Wendell Cotton was elected unanimously but as he had held the office before he was ineligible. The officers finally elected were:

EDWARD DURHAM...... President
DORIS EBDON.......... Vice President
MARY GRIFFIN......... Secretary-Treasurer

At the next meeting the Junior Carnival Committee was elected. James Days was voted chairman of the Committee, with several capable members of the class aiding him. The booths that they managed were Skill, Balloon breaking, and Dart throwing. These booths took in a good portion of the evenings profits.

Class rings were put in the capable hands of Donald Townshend who handled the ordering with satisfaction to all concerned.

At the third meeting the plans for the Junior-Senior banquet were made. Two committees were chosen; an arrangement committee with Eddie Durham as chairman and an entertainment committee with James Days as chairman. These two committees handled all the details of the banquet very capably and produced a charming affair.

Quite a talented group of actors have sprung up this year probably due to experiences in the Effie Kube Klub, which is an undergraduate dramatic society. Reward for their efforts in their first two years was membership in the Junior-Senior Dramatic Club. This club has put forth several attractive plays making good use of the Junior actors. The highest Dramatic society is the National Thespians. To be a member in this club you have to work very hard. The Junior class is proud that three of its class are in this club.

The Junior girls can be exhibited as good examples of fighting spirit. In the Interclass sports the Junior girls won the basket-ball series after a hard fight though they lost the volley-ball series. The varsity Baseball team can thank the Junior class for a lot of its fighting spirit. There were quite a few on the varsity team, and this helped the girls, and the team in more ways than one.

The Junior boys did not do as well as the girls in interclass sports. They turned out very well in number though. In baseball and soccer they had the number but not the ability. There were several Junior boys on the Varsity baseball team though. The track turnout as far as the Junior boys were concerned was not very good.

After considering the tortures of the first two years in High School we consider our next to last year in school very eventful and happy. As a whole the class of '36 hope that the Sophomores may feel the same way when they have achieved the names of Juniors.

SOPHOMORE ACTIVITIES

By Edward Bretch

The Sophomore Class held its first meeting on October 14, 1934, in the Cafeteria, which was designated as their meeting place for the entire year. Mr. Siminski had been assigned to supervise this first meeting, and the class voted that he should continue to look after their interests during the year. Later events have proven that the choice was an excellent one, as he has very graciously assisted the class in all of its activities.

After the sponsor had been chosen, the business of electing officers for the class was taken up. An election of officers was held, but the persons chosen to fill the different positions were found to be ineligible inasmuch as they had been officers the past year, and according to a new ruling in Cristobal High School, a person cannot hold any office for two consecutive years. It was decided that the class would elect new officers at its next meeting which was scheduled for November 16, 1934.

At this second class meeting the business of electing officers was again considered. After a very close race for the various offices the results of the elections were recorded as follows:

President................Cheney Moore
Vice President..............Edward Hoffman
Secretary..................Blanche Howe
Treasurer...................Esther Neely

At this same meeting we took up the task of choosing our representatives in the Executive Council. The two students to look after our interests in the Student Association were Macel Goulet and Philip Riedel.

At this same meeting the class decided that they would hold their Class Dance on February 2, 1935.

The Class colors were chosen, and after many individual debates the class decided that their colors were to be BLUE and WHITE.

This year the Sophomore Class was proud to be the bearers of that title, because we cooperated so well with the plans laid for the Carnival. The Class was given certain things to do by the Carnival Committee, and the class as a whole did their part in making the Carnival a success.

In athletics the Sophomore boys did not equal their standard of last year due to the fact that handicaps were placed on each class giving the Freshmen a greater advantage over the rest of the classes. However, we cannot complain too much because the Seniors had none at all and the Juniors had a very small one.

The girls however, showed the boys up and ran with the inter-class Volley Ball series. But they admit they don't think they would have won it unless they had practiced as hard and sincerely as they did. Again the Sophomore girls shone in Basketball. They were on the winning team with the Seniors. Many girls found it pays to support your class in athletics because it gets you in trim for Varsity sports. Many girls earned their Varsity Letters because they practiced hard in the interclass sports.

As scheduled at our second class meeting the Sophomores held their dance in the gymnasium on February 2nd. The "High Hat Orchestra" furnished the music for the dance that began at eight o'clock and ended at twelve as usual. The gym was beautifully decorated with palm leaves that were placed around the walls in a very pretty style. The class colors of Blue and White were effectively draped from the ceiling and this added all the more to the beauty of the place. Above the orchestra hung a lighted sign with the class name in Blue and White. Everyone who attended had a very enjoyable time as was apparent when the punch ran out after about the eighth dance.

The class participates in many other activities among which are the EFFE KUBE KLUB which is a dramatic club, and LA PAS which is a Social Spanish Club.

The class of '37 is very proud and fortunate in having two of its roster on the high honor list. These two students, girls by the way, are Kathleen Phillips, and Jacqueline Briscoe.

The number now in the class is approximately 90 to 100 students.
Standing, left to right:—Lee Kelso, John Huson, Daniel Meehan, William Fuller, Milton Dunn, James Smith, Walter Mueller, William Emerson, Carlos Chase.

The Class of '38 held its first meeting in the auditorium which was assigned to be their meeting place for the ensuing year. This meeting was called in order to elect a sponsor, and the class officers for the year, Mr. Franks the Principal of the school was elected almost unanimously as sponsor. The class officers were elected and the results of the elections were as follows:

President..........WILLIAM SCARBOROUGH
Vice-President....BEA COTTON
Secretary.........EDWARD McCARTHY
Treasurer..........PATTY SYMINGTON

After a short time Edward McCarthy resigned his position as Class Secretary and Warren Butcher was elected to carry on the duties of the Secretary.

At the second meeting which was held about one month after the first we elected our representatives to the Executive Council. Our elections resulted with Dorothy Knox elected girl representative and John Finlayson as boy representative.

The Carnival might not have been the success that it was if it hadn’t been for the cooperation that the Freshman Class gave it. The Freshman class Carnival Committee made a good showing, and was well spoken of by Mr. Franks in the assembly. The booths that were made by and attended by the Freshman Class were the shooting gallery, ring tossing, and ball throwing.

The Freshman Class made a good showing in the interclass sports. This cannot be attributed to the ability of the players though because we had the largest handicap of the four classes. In soccer, which was the first sport of the year, the Freshman team had a thirty point handicap, this made it possible to win the inter-class series because the other teams could not overcome such a lead. The stars of the Freshman team were Peter Ender, center half-back, and Hartly Martin, goaler.

The handicap given to the Freshman in baseball was not enough for the team to place more than a good last. We can however say we died fighting.

The Freshman Class held their dance on March 29, 1935 in the school gymnasium. This dance was considered one of the best of the whole year. The gym was very elaborately decorated with palm fronds along the walls, and streamers of purple, gold and blue the school and class colors radiating from the center of the ceiling. This dance was unusual in that the feature of the evening was an acrobatic dance by Emily Horine. The programmes were especially attractive in that they had an aerial view of the school printed on them.

The Class of '38 is very thankful for the aid given by its Sponsor, Mr. Franks in guiding them throughout the year. The Class aided in all activities in the school. It is the largest entering class the school has ever experienced, numbering about one hundred and twenty students in all.
STUDENTS’ ASSOCIATION

By Tom Russell

Entering into its second year of activity, the C. H. S. Students’ Association has proven itself to be one of the finest things ever introduced into the school. Last year the Association received its start and did exceedingly well. This year it has profited from its mistakes of last year and can be considered almost perfect.

The purpose of the Association to put the school on a firm financial plan by eliminating all unnecessary expenses during the year.

To belong to the Association each student was charged three dollars and fifty cents, for which he received the following benefits:

1. Admission to all regularly scheduled athletic contests of Cristobal High School.
2. Admission to four class dances and all other dances given.
3. Admission to all school plays.
4. One copy of the “Caribbean.”
5. A years subscription to the “Trade Wind”.
6. Membership in certain high school clubs.
7. Admission to Junior-Senior banquet.

The advantages of this system are very obvious. The greatest of which is a saving of from five to six dollars on activities.

The first business of the year was to elect officers. This was done by a secret ballot cast by all members of the Association. The candidates were nominated by a body consisting of the four class advisors and the officers of each class. The nominations were restricted as follows: The president must be a senior, and the vice-president a junior. The other offices were not restricted.

The results of the elections were as follows:

President: ANNA REILLY
Vice President: TOM RUSSELL
Secretary: RUTH WIkingstad
Treasurer: KATHLEEN PHILLIPS

The Executive Council which is the acting body of the Association was then formed. It consisted of the three faculty members of the association: Paul Miller—Sponsor, K. W. Vinton—Athletic Director, and Milford Franks—Extra-Curricular Activities Director; the four student officers, and two representatives from each class (one boy and one girl). The representatives were as follows: Seniors—Margaret Barnard and Wm. Dougherty; Juniors: Evelyn Dwyer and James Days; Sophomores—Macel Goulet and Phil Riedel; Freshmen—Dorothy Knox and John Finlason. Meetings were held by this body every two weeks to carry on business and to O. K. expenditures of money.

The third dance of the year was sponsored by this organization. It was a Barn Dance and was one of the most successful of the year.

One of the largest activities of the year was organized and run by the association. This was the C. H. S. carnival held on February 9. Over four hundred dollars clear profit was taken in at this function and this was added to the general student fund.

During the year there were only nine persons in the entire Senior High School that did not become members. Over one hundred junior high school students also joined the association.

Special provisions were made by the Executive Council allowing Alumni to join the association so that they could attend athletic events and dances. The price extended to the alumni was two dollars and fifty cents. However for this amount they did not receive a copy of the “Caribbean.”

The TRADE WIND started its third year in good fashion in October with an enthusiastic staff animated by the one ambition to put out a good paper every Friday. As the year progressed and the home-work piles up many Members of the Staff, quietly resigned from the paper's roster. But new members were secured, and the old ones carried on valiantly, so that the paper never missed an issue. Particular credit goes to the hard working and exacting editor in keeping the staff on its toes.

The staff arranged several social events in the course of the year. A picnic-swimming party at Shimmi Beach was much enjoyed. Members of the TRADE WIND editorial staff also had a conference with the members of the PARRAKEET of Balboa and visited the office of the PANAMA AMERICAN.

A "depression" dance was sponsored by the TRADE WIND staff on March 9, which was considered one of the jolliest of this year's Terpsichorean frolics. This fittingly climaxed the social activities of the paper for the year.
LA PAZ

By Mary Golet

La Paz is a Spanish club in Cristobal High School, organized by Mrs. Phyllis Spencer in 1930. The purpose of this club is to make greater friendship between the North and Latin Americans as well as to study the Spanish language. Prominent men of Colon are guests at the social meetings.

To become a member of this club, a student must attain a grade of "90" or above, and must be a student of second year Spanish. If he is a student of third or fourth year Spanish, he need attain that grade for only one period of six weeks, while the student of second year Spanish has to acquire this grade for a period of twelve weeks.

During the past year, La Paz held several joint meeting with the club, Panus. Panus is a Club composed of Spanish women who are learning English. Games were played which required Spanish as well as English to be spoken.

At one meeting, the Bomber's Band played selections of Spanish music which were greatly enjoyed. The officers for the year were:

- President: CATALINE ECKER
- Vice President: MARGARET HOLLINGSHEAD
- Secretary: D. EDSON
- Treasurer: A. L. TERRIBERLINE
- Ayudador: W. COTTON
- Conductor: N. STARKE.

JUNIOR-SENIOR DRAMATIC CLUB

By Mary Griffin.

In Cristobal High School one of the most active clubs is the Junior-Senior Dramatic Club. The members of this club are first taught dramatics in the Effie Kube Club and when they become upper classmen they join the club with some previous experience.

There are about twenty three members in the club this year. Mary Ruth Riedel is the president; Kathleen Goodenough, vice President and Mary Griffin, secretary and treasurer. The club meets every Wednesday with Mrs. Spencer, our sponsor.

In December, a lively three act comedy was presented in the auditorium. "The Red-headed Stepchild" was the comedy of a western girl who was brought to Chicago to live with her father, her step-mother, her half-brother and sister. Because she did not fit in the social life of her relatives the girl was heartily disliked by them. But because she won the affections of her step-sister's fiancé she was more disliked. The end was a happy one with everyone liking each other. Mary Ruth Riedel was amusing and delightful as Bess, the western stepchild. Others in the play were Theodore, Aamstoo, Lydia Grauvatt, Donald Townsend, Olga Roe, George Lane, Kathleen Goodenough, Robert Moot, Charlotte, Randall, Margaret Barnard, Elinor Mullane and Annie Laurie Tuberville. Mrs. Spencer directed the play.

As it was decided to have Juniors and Seniors in both the plays that the Club presented during the year, there was no Senior play this year. "The Soul of Ann Rutledge" was presented by members of the Junior-Senior Dramatic Club assisted by three members of the Effie Kube Club. It was the love story of Abraham Lincoln and Ann Rutledge. The play was tender and sweet, though it contained much humor and comedy. Ann Rutledge was played by Annie Laurie Tuberville, and William Beers was excellent as Abe Lincoln. Others in the cast were: "Ole Bar", Charles Heim; "Buck Thompson," John Tara; "Jack Armstrong," James Coman; "Joe Kelsey," Edgar Borden; "Kit Parsons, Robert Moot; "Windy Batts," Douglas Malone; "Clary," Donald Townsend; "James Rutledge" Robert King, "Rev. Peter Cartwright, Charles Washabaugh; "Mrs. Cameron," Elinor Mullane; "Mrs. Benson," Lydia Grauvatt; "Miss Jukes," Agnes Reine; "Mrs. Rutledge," Mary Griffin; "Mrs. Cameron," Leta Deakins; "Mrs. Kelsey," Dorothy Hoccker; "Aunt Sally Green," Olga Roe; Mrs. Spencer, our Sponsor, directed the play.
The Photo Club has been a part of the school's activities for the last two years. This year the club was started on its second term with the election of officers as follows: Ralph Davis, President, Bet Cotton, Treasurer, Robert Peterson, Sec'y. Other members of the club are Jerry Carol, Billy Huff, and Donald Townsend.

The club has been fortunate enough to have Mr. Miller as its advisor for both years. The Club has been limited to only those students who have given the time and interest needed in such work.

Professional photographers have taken an interest in the Club and have given equipment and advice toward improving its methods.

This year the Club has taken on a Professional aspect by the addition of an enlarger made by one of the members and a Graflex Camera furnished by the administration. The work done by the members has consisted of developing, printing, enlarging, retouching, and sepia toning. Pictures are developed and printed for the students at a cost which just enables the Club to pay the expenses. There is no profit. It is all an educational project.

Supper Club
SUPPER CLUB  

By Mary Goulet

The Girl Reserve Supper Club is an organization to which any high school girl may belong.

In June, 1933, the Y. W. C. A. clubs of the isthmus disbanded leaving the club to carry on without supervision. Therefore, the Supper Club was carried on during the year 1933-1934 by the girls with the help of Mrs. Spencer and Miss Margaret Davis.

When the 1934 school year began, the American Legion Auxiliary, Elbert S. Waid, Unit No. 2 decided to sponsor the club. Mrs H. L. Phillips and Mrs. G. O. Kolle were made sponsors.

The meetings of this association are held every second Friday of the month. Supper is always served by one of the committees before the business meeting.

The following girls were the officers for the year 1934-1935: Anna Reilly, President; Ruth Wikingstad, Vice-President; Mary Goulet, Secretary; and Kathleen Phillips, Treasurer.

BOYS' LETTER CLUB

THE VARSITY CLUB  

By Maxwell Sanders

The Varsity Club is an honorary Athletic Club. In order to become a member of this club a boy must first have earned a letter in at least one sport in school. However, to become a member in full standing, and be eligible to hold office, he must receive the Varsity Club Initiation.

The eligibility rules for earning a letter were raised this year. Under the former rules, one had to play about 25% of the games with Babos in Baseball, Basketball, and Soccer, or earn at least two points in track. Under the present rules, the requirements are raised to 21/2 of the total innings in Baseball, or 5 points in track.

The Varsity Club is not only a letter earning club, but it enters into many of the activities of the school.

At the beginning of the school year, the Varsity Club was given the responsibility of taking charge of the Freshman-Sophomore initiation, which was done very efficiently.

When athletic awards were made this year the Varsity Club put on a pantomime. Every boy in the Varsity Club took part in this pantomime. The purpose was to make an appropriate presentation of athletic sweaters to the members of the club who had earned one or more letters during the year.

Many considered this one of the best events of the school year. In this pantomime, the boys enacted all of the sports and athletic activities of a school year. They wore the uniforms and used the equipment which corresponded to each sport. After this Program the boys were awarded white sweaters with a gold letter C on the front of them by Mr. Vinton, the sponsor of the club.

The last thing which was sponsored by the Varsity Club was a dance. This dance was held in the C. H. S. gym. The gym was decorated very effectively with different sporting equipment placed about the gym, and the school colors in the form of paper, string about the gym.

The officers of the club are as follows:

Mr. Kenneth W. Vinton
Maxwell Sanders
Edwin Hanna
Howard Will
Robert Peterson

Sponsor
President
Vice-President
Secretary
Treasurer

At this writing one of the most interesting activities of the club has not yet taken place, that is, the Varsity Club initiation and banquet. This initiation has become a traditional event of the club, which serves as a fitting climax to the year's athletic activities.
The musical organizations at Cristo Bal High School furnish a means of musical culture for those who wish to join; and pleasure, not for members alone, but also for those who may listen to the various productions.

During the past year two very successful activities were organized: the String Ensemble and the girls’ Double Quartette. The String Ensemble has played at many of the Union Church programs, Visitation Day, at the annual Women’s Club program and Commencement. The Double Quartette has sung at the Union Church, assembly programs, Visitation day and Commencement. They gave a delightful operetta, “The Nifty Shop” with the help of Miss Bowman and many of the glee Club girls.

The girls’ and boys’ Glee Clubs have been working also. They sang at the assembly programs Visitation Day and the annual Women’s Club program. Together, both glee clubs gave a gypsy operetta “Chonita.”

The Science Club

By Donald Townsend

The Science Club is an organization as young as the school itself. It was started during 1934 with members from the Biology Class, the General Science Class and "B" students of Elementary Science. This year the Club admitted to its folds, four members from the Physics class. These new members were Ralph Davis, Robert Moon, Berton Asensio and Donald Townsend. This year the club had 18 active members; all boys.

The club became very ambitious and built a headquarters in the jungle, right next to part of Gatun Lake. The trail to the shack is very primitive and takes real life and spirit to hike to the shack. The trail is about 5 miles long, and very bad in places. The spot where the headquarters is located, was picked because of its good location near mountains, rivers, lakes, fossil-beds, wild life, etc. The club does real biology work. The members turn in reports of information found during the days work.

There are several groups in the club. Each group has some individual thing to study. Some study plant life, animal life, rocks and fossils, and how plants and animals help each other. It is all very interesting and shows what wonderful spirit the members of C. H. S. can show, without compulsion.

National Threspians
THE NATIONAL THESPIANS

By Olga Roe

The National Thespians is an honor dramatic society which takes only students who have done the required amount of work for eligibility. To be qualified for membership, a student must have satisfactory scholarship in High School work, must have played with merit the major role of one long play, two major roles in one-act plays, or minor roles in three long plays.

This year the National Thespians Club has been quite successful. At the beginning of the year there were only three members. At the first initiation five new members who had fulfilled the requirements were initiated into the club.

There is one meeting a month, each member taking his turn at entertaining the club.

The National Thespians sponsored the Jr. Sr. Dramatic Club plays and gave one of their own, "Corn Fed Babies" on Visitation Day.

The officers of the Club are:

Sponsor—Mrs. Spencer
President—Mary Ruth Riedel
Secretary—Annie Laurie Turberville
Noble Promoter—Margaret Barnard.

VISITATION DAY

By Margaret Hollingshead

This year Visitation Day was under the direction of Margaret Hollingshead, with Edgar Borden assisting her. There were fourteen committee members to aid them by directing the visitors and keeping the halls quiet during classes.

There were about 260 visitors altogether, 192 of them being parents. They were all evidently interested in the classes, for there was a very small percentage of visitors in the hall at any time during the day.

Classes were held from one o'clock until eight, with one hour, 4:45 to 5:45, for supper. There were a few deviations from the regular Friday schedule, the object being to have as full a schedule as possible for the visitors' benefit. All classes were expected to be run as usual, without any special programs, since the object of the day was to give the parents a true view of school life.

During the eighth period a special program was put on in the auditorium. The Girl's Double Quartet and the stringed ensemble, under Miss Elner's direction rendered several numbers, and the National Thespians, under Mrs. Spencer's direction, gave a play "Corn Fed Babies", a highly amusing and clever production.

SCHOOL NOTES

By Anna S. Reilly '35

Sept. 20. Readin', writin', 'rithmetic' sounds silly but it's beginning again. Two new teachers have joined our flock, Mr. Floyd Jeffries for Jr. Hi School and Mr. Edward R. Siminski for Sr. Hi.

Sept. 21. Wouldn't it be grand and glorious if every day could be like this one? Only 15 minutes for each class!!! CHS sure does believe in bigger (and better) teachers when they exhibit Mr. Siminski!!

You'd think the Frosh would have won the Frosh-Soph Scrap with their great number, but the Sophs proved to be a little bigger than they were in the line of battle!!

Sept. 24. Look around for serious faces and you can't find a one—except maybe a few teachers. Everyone starts in earnest today—or are supposed to. Students start eating in Cafeteria today hope they don't eat too much.

Sept. 25. We have a "New Deal" in athletics this year. A little complicated but on the whole it sounds pleasing.

Sept. 26. Assembly this morning. Mr. Franks told us of the more numerous advantages of becoming a member of the SA—sounds good. Imagine twelve dances instead of 4 during the year!!!

Sept. 27. Boys' Varsity Club meets today. They are going to get sweaters this year—or so they have been told. Different advisors for activities announced today—oh well! "Variety is the spice of life" as the old saying goes.
Sep. 28. The first "baile del ano"—an informal one given in honor of the Frosh and Sophs. We all enjoyed it too!!

Oct. 2. Interclass soccer practice begins today—looks hopeful for all the classes. Mrs. D. M. Melendez of the Star and Herald gave a very interesting talk on newspaper work to members of the seventh period class of English 12.

Oct. 3. Gym!! What a pitiful word! Girls' gym classes began today—we didn't do much though. Miss Connie Smart is going to assist Miss Bailey in handling all of us girls—nice eh what???

First class meetings of the year today also. Senior class seems to have quieted down quite a bit in the past few months.

Oct. 4. Since Mr. "Vic" Seiler has left our dear old school for a vacation, Mr. Lockridge of Pedro Miguel began instruction in the boys' gym classes today.

Oct. 5. Two visitors to our dear "alma mater" today. A Miss Jacobs of New York City, and Mr. Davis of Colorado. First Supper Club meeting held in Cafeteria with Mrs. Spencer and Mr. and Mrs. Franks as guests.

Oct. 8. Mr. Siminski, the Goliath of CHS, returned from a visit to Balboa with a challenge from the manly group of BHS to a game of basketball. It is rumored that Cristobal corrupents resent criticisms of old age and are therefore planning on the assured victory—why not???

A drive for 100% membership in the SA began today. The future of the Association looks bright.

Oct. 9. Mr. Hackett, Editorial sponsor of our school newspaper, announces his intention of a weekly publication, instead of bi-weekly as it was during the last few months of last school year. Photo Club, organized by Mr. Miller, last year, had its first meeting of this year in his room at 3 o'clock.

Oct. 10. What a list of members on the "Trade Wind" staff. Hope that means the newspaper is getting better all the time. Nominations Committee for officers of SA met today to do their duty—Students urged by Mr. Miller to pay dues for SA.

Oct. 11. Two new positions in the activities of CHS have been created, Chairman of the school Publicity Committee and Chairman of the Art Committee for publications and bulletin board service. Edgar Borden and Jack Egozcue now fill the offices.

Oct. 12. Jr. Sr. Dramatic Club meets to elect officers and plan year's activities. First publication of "Trade Wind" for this year came out today.

Saw school calendar today—only 176 days of school—only???

Oct. 15. Election of SA officers postponed from Tuesday the 16th to Thursday the 18th.

Plans are being made to have a band in CHS—hope we do.

Oct. 16. Carnival has been postponed from Nov. 10th until after Jan. 1.—Auditorium's being used for too many things besides revue practice.

Frosh-Soph Dramatic Club held first meeting of the year in the sponsor's room, sponsor—Miss Liter, officers were elected.

Oct. 17. At the assembly this morning, Mr. Miller did the two candidates for president of SA a dirty trick—he called on them to make an ex-temporaneous (is that right?) speech speech and were they scared—oh boy???

Oct. 18. A big day in CHS—election of officers of the SA—boy were the polls crowded—there wasn't even standing room!!!

Oct. 19. We had a very prominent man and interesting speaker at the assembly this P. M.—a Mr. Joseph I. Scott. He spoke on "The Spirit of America."

Oct. 22. First games of interclass soccer series played—Seniors beat Frosh and Jrs. and Sophs tied.

Oct. 24. Varsity team for girls' volleyball has been picked out—hope they win from Balboa.

Oct. 25. Game between girls' Varsity volleyball team and Faculty Men postponed to Nov. 2—the men have to get in shape so the girls won't beat them!!

Oct. 26. Navy Day tomorrow so we had a Navy Day program in assembly today—too bad it had to fall on a Saturday—now no one can skip school to go out to Coco Solo. Oh well! such is life.

Senior class Halloween Dance tonight, and did we have fun?? Somebody will have to go a long way to make any other dance better than that one.

Oct. 29. Well the "Scobies" have won the interclass soccer series—shows how good the upperclassmen are!!!! Seniors came second—isn't that just lovely.

Oct. 30. Installation of officers of SA—it's too bad that it's all over cause it was so nice. Reverend Cecil L. Morgan administered the oath of office to the president, Anna Reilly. The SA sponsor, Mr. Miller, administered the oath to the members of the Executive Council.

Oct. 31. Mr. Hackett, our loving history professor, is giving different tests in his American Problems class these days. Since the big discussion these past few days about the article in the Literary Digest on "too much homework," Mr. Hackett has determined to find out just how fast the average Senior can read. It turns out that he
Nov. 2. We have 5 cheer leaders this year instead of 3. Charlie Heim, head cheer leader, of course, conducted a pep rally, the first of the season. When he quoted Abe Lincoln, we were naturally dumbfounded!!!

Mr. Franks had the first Executive Council meeting at his home. After three hours of serious business, delicious refreshments were served. Hope all the meetings have refreshments as an ending.

The girls got beat by the faculty in volley ball—what a pity!

Nov. 3. No school today—but darn it, it's Saturday—just another holiday we get cheated out of.

Nov. 5. A second victory for the faculty men over the girls' volley ball team—you'll have to do something about that, girls!!!

Nov. 6—Up to date we have 323 students in CHS—seems like we're getting bigger and better every year.

Nov. 9. Another of C. Heim's pep rallies—this one was in preparation for the two games tomorrow—the first in the inter-class series.

Assembly Committee held its bi-weekly assembly today in commemoration of Armistice Day.

Report cards! What pitiful words. Nevertheless, there are three "A" students, 2 Seniors and a Soph. All girls, and whadda ya think of that???

Nov. 10. Girls won 2 out of 5 in volley ball—three cheers. The boys didn't do so well, but will next time.

Nov. 13. Ye Editor of the "Trade Wind," Billy Beers, has resigned his position and is now replaced by Edgar Borden, former Associate Editor.

 Nov. 14. First meeting of "La PAS" today. Big things coming off in the next year!

Jr. College soccer team beat our boys today, 2-1.

Nov. 16. More class meeting. Never heard so much discussion of Senior privileges in my life.

Nov. 17. Choo-choo—First "special" of CHS to Balboa for the soccer game. In all the rain and slosh the boys lost. The girls did too, but we still have hope for the future.

Nov. 20. Informal initiation of new "La PAS" members starts today. They all look so cute with ribbons in their hair and clothing on backward.

Nov. 21. "La PAS" installed officers at noon today in Mrs. Spencer's room.

Nov. 22. Executive Council meeting at the home of the president, Anna Reilly. More refreshments served!!!

Nov. 23. Jr.—Sr. Play postponed from Dec. 7 to Dec. 14 because of Thanksgiving holidays next week.

Nov. 24. The gals from BHS won the volley ball series this AM. The boys of CHS won the third and last soccer game, but it doesn't give us the series cause we lost the first two game. Formal "La PAS" initiation in the Auditorium tonight—a program and refreshments will follow.

Nov. 27. New point system was published today—the other had to be revised by the Executive Council.

Nov. 28. First Barn Dance ever held in CHS was given by the Executive Council tonight and a big success it was!!! Voices are already clamoring for another affair of its kind.

Dec. 3. Interclass baseball practice starts today. Student coaches and managers for the class teams are among the new features of the second interclass sport of the year.

Dec. 5. Interclass basketball practice for girls starts today. Games will be played in a week or two.

Dec. 6. President Anna Reilly and vice president Tom Russell of the SA accompanied Mr. Franks to Balboa HS today, where all three gave lengthy talks on the advantages of the SA in a school. BHS seems to be in favor of starting one too, and just wants some info about it.

Dec. 7. We sure learned a few things about the Chinese today. Father Joseph McGinn gave a talk on China and held everyone's undivided attention for 45 minutes—which is unusual in CHS.

Dec. 10. That Jr. Sr. Play, "The Red-Headed Stepchild," seems to be coming along fine and promises to make at least one evening entertaining for students of CHS.

Dec. 11. Dummy tournament for boys' interclass baseball starts today despite the exceedingly slushy weather we've been having.

Dec. 14. The big play comes off tonight. We all await it with eagerness.

Dec. 15. More laughing was heard in the auditorium last night than ever was heard before. That play sure was good.

Dec. 17. Today is the beginning of a series of early morning assemblies. From now until—we have a 5 minute assembly every morning before 8 o'clock.

Class meetings once again. If the Seniors keep it up, they may have a model class in a few years.

Dec. 18. That was some talk Ruth Wilson gave this AM on Girls' Athletics. Wouldn't be surprised if she was called on for more pep talks.

The supper and business meeting followed.

Boys' Varsity Club presented a most unusual and interesting program tonight. After the program, Mr. Vinton gave the boys their sweaters, on which the letter C had been sewed. Were they tickled!!!

Jan. 2. Happy New Year! Looks like a prosperous one for dear old CHS. We have a number of new students with us today for the remainder of the year.

Jan. 5. Honor roll came out today. The same three girls were on this "A" honor roll as were on the last one. Who said the girls are dumb—look to me like the boys aren't too hot.

Varsity baseball team starts practice today. About 25 are trying for the team—not bad. Hope we win the first, second, and last games this year (there are only 5)!!!

Supper Club had a fruit cake raffle today—boy those cakes looked good.

Jan. 4. What a lot of sleepy eyes—seems more like a blue Monday than a Friday—one good thing about Friday is that you don't have to get up early the next morning.

Jan. 7. Another visitor in CHS. Professor T. C. Trueblood of the University of Michigan. The Prof. (interesting chap) spoke to the assembled students on the seven triumphs of public speaking.

Jan. 8. Carnival Committee held their long-promised meeting today—now serious work on the Carnival begins.

Jan. 9. Informal initiation of the second batch of candidates for "La Pas" started today. All these little girls look very sweet in their hair ribbons.

Jan. 10. Another one of those nice long Executive Council meetings was held at the home of the vice-president, Tom Russell, last evening.

Jan. 11. The Supper Club Mother and Daughter Tea this afternoon. Hope they don't get sick with all that cake around.

Jan. 12. What a special!!! However, it was the best one we've had in the way of behavior. The only thing that spoiled the day was the loss of the baseball game, but we're going to win the other two.

Jan. 14. Class meetings again today. The Seniors are getting noisy again—they'd better take it easy.

Jan. 15. The girls' gym classes seem to be working very hard at those gym tests they're having.

Jan. 16. Formal initiation of "La Pas" new members tonight.

Jan. 18. A pep rally for 15 minutes this P. M. to give the student body some pep for tomorrow's games.

Jan. 19. Double victory over Balboa! Won the basketball and baseball games just like rolling off a log—boy oh boy. Balboa had a "special" but it didn't do them any good. That band and crowd didn't help them win the games. Varsity Club had a dance tonight too. BHS students were guests and everyone seemed to have a good time.

Jan. 21. Candidates for queen of CHS have been posted in Miss Moore's room. Looks good for little Miss New Cristobal, Evelyn Dwyer.

Jan. 30. Exams tomorrow and the President's ball at the Strangers' Club tonight. What a time to have exams—some people are very thoughtful.

Jan. 31. Long faces and very sleepy eyes are seen all over school today. I can guarantee they didn't lose any sleep over these lovely hour exams tho.

Feb. 1. Just imagine what school will be like when we have no exams—the Seniors are sure lucky to have only two such days ahead of them—then they can sit back and laugh at ease. Thank goodness today is the last day of exams—even the teachers look worn out.

Feb. 6. Another interesting visitor at our school today. Mrs. Frances Haun, Worthy Matron of the Eastern Star, gave a very interesting talk.

Feb. 7. Fidac Essay Contest announced today. "Homework" Hackett expounds on it in every one of his classes.

Feb. 9. Big day for old CHS. Student Carnival is in full swing and seems to be biggest and best yet. Let's hope it is any way.

Feb. 11. More breaks for students of our Alma Mater. Ice cream left over from the Carnival was given away to all this afternoon. What a mess outside that Cafeteria door!!!

Feb. 15. Another assembly. Mr. Franks talked about six weeks' grades and the Carnival.

Feb. 16. Mr. Vinton's Natural History Club had another jungle-field trip today.

Feb. 18. Assembly this morning to pep the students and runners up for the big track meet next week.

Feb. 20. The girls are constantly being urged to show up for baseball. Not much pep shown for that sport yet.

Feb. 25. Big Washington Swim Meet today. Phil Riedel is doing himself proud.

Feb. 25. The CHS pitcher. Max Sanders, has been doing fine on the Colon team this season. He pitched on the 22nd, striking ten men out and allowing only 5 hits. Pretty good for him—what?

Feb. 26. Miss Patterson surely did squelch some of the unruly-assembly-behaviors in our school, but they needed it.

March. 1. More report cards today. The same three girls are on the "A" Honor Roll.
March. 5. Miss CHS, Evelyn Dwyer, had a lovely float in the Colon Carnival today—thanks to Edwin Hanna and Allen Jacques.

March. 6. Seniors won the interclass track meet. Sophomores came second.

March. 9. Balboa won the track meet today—what a pity. The “Trade Wind” is giving a “Depression Dance” tonight—quite appropriate, don’t you think?

March. 22. Visitation Day turned out very nicely today. Guy stayed at home ‘cause he was afraid of all the visitors.) The committee arranged everything very well.

March. 23. Phil Riedel broke 5 swimming records of the Canal Zone today. Good luck to you, Phil.

March. 30. Frosh’s first dance tonight. Such spiffy programs and unique decorations. It probably is the best dance of the year for its decorations and programs.

April 1. Interclass basketball tournament starts today. Watch out for the Seniors!!!

April 2. That “Caribbean” staff sure is slogging away at their work. Looks like a good year for CHS.

April 3. Just one more week of school ‘til Easter vacation—what a break!

April 8. The well-known Ahmed Abdullah gave a talk in the Auditorium this P. M. He interested the students quite a lot with his unique bracelet.

April 9. The first CHS operetta in years was given tonight by the Girls’ Glee Club and the Household Arts classes. It was called “The Nifty Shop” and nifty it was. A special invitation affair and the girls deserve credit.

April 10. It seems that the Seniors won the interclass basketball series by a landslide. They are scheduled to play the Faculty tomorrow.

April 11. Hooray for the Seniors CHS. How they beat the Faculty with a score of 57-27—what a game!

April 12. Today marks the end of school for 9 whole days—are we glad?

April 22. The students of CHS truly miss the company of one of the sweetest girls who ever attended our school, Josephine Dunn. We extend our sincerest sympathy to her sister, Dorothy; brother, Milton; and to her parents in their bereavement.

April 25. The Supper Club Dance tonight. Promises to be an unusual affair.

May 3. The first interschool basketball game of the season tonight—hope it’s successful.

May 6. Today works the beginning of Senior week. Let’s all have one grand time for a change!!!

May 10. Another one of those interschool basketball games. You should have seen those boys travel on that floor. What a fast game!

May 11. “The Soul of Anne Rutledge” turned out to be a very sweet period play. The students enjoyed it immensely.

May 18. Executive Council Dance is planned to spring a surprise tonight.

May 31. The night of the last basketball game of the series. School is slowly but surely coming to an end for the year.

June 5. Just think—today begins the last month of school. Boy that sounds good!

June 7. The Jr. Sr. Banquet was a huge success! The Seniors look a little low these days—looks as tho they don’t want to finish school after all.

June 9. Baccalaureate Service in the Christ Church was quite impressive. The Seniors surely do need to be blessed now.

June 12. “Caribbeans” come out today: The Seniors will have “writers’, cramps pretty soon.

June 13. Exams! They spoil all the fun of the last days of school—everyone says so.

June 14. The Big Day—Commencent! Glad as I am to get out of school I feel like crying and I know many more do too. Here’s wishing you lots of luck, Seniors!!!

Although the Cristobal Student Body gave the soccer team what was probably the best support it has ever had, the boys were unable to come through with a championship.

Six varsity men were left from last year, but due to some of the new material being pretty green and in the short time devoted to varsity practice could not learn enough to pull the team through to victory.

The first tilt went to Balboa on November 10 at Kokonut Park by a score of 4 to 1. Cristobal started the game very strongly having the ball in Balboa’s territory during the entire first quarter. It was during this quarter that Cristobal made its only tally when Durham put a beautiful one past Balboa’s goalkeeper. In the second quarter the Cristobal defense worked very poorly and Balboa scored three goals, the scorers being Moore, Navarro, and Michelson. In the third period Balboa scored again on a penalty kick by Captain Durfee.

The second game on November 17, at Balboa, was accompanied by a special train from Cristobal. However, as it was raining at game time only a few of those who went over attended the game. Regardless of this show of enthusiasm Balboa handled the Cristobal “Redmen” a 7 to 0 drubbing. The game was played in a sea of mud and neither team was able to do much more than push the ball up and down the field. Although the score does not indicate it “Mope” Cotton played a superb game at goalguard for the Cristobal warriors. Time and again he turned away threats and but for his playing the score would, no doubt, have been much more in Balboa’s favor.

The championship lost, Cristobal came out from under cover and took the third game 1 to 0. The game was closely contested all the way through and the result in doubt until the final whistle had blown.

Outstanding among those red warriors who fought so bravely for victory were such names as Hanna, Hill, Borden, Neely, Reynardus (Captain), Dougherty, Curtis and Coffey.

The defensive combination of Hanna, Coffey, and Neely turned play after play away from the “redmen’s” goal and deserve much credit.

Balboa had a stronger team, but C. H. S. made them fight for victory.

JUNIOR COLLEGE

The C. H. S. “redmen” were also unsuccessful against the Junior College aggregation losing both games to them. The respective scores were 5 to 1 and 5 to 0. As yet Cristobal has not beaten the Junior College as it also lost both games last year.

The following were C. H. S. players: Reynardus (Captain), Cotton, Neely, Ducy, Ender, Fernandez, Curtis, E. Hanna, H. Wills, Borden, Hill, Dougherty, R. J. Peterson, Retally, Coffey, and Durham.

INTERCLASS

In accordance with the new system of sports inaugurated this year, interclass soccer was played before varsity. As strange as it may seem every class enjoyed a very large turnout. (for once)

A dummy series was run off at first to determine the strength of each team. The Freshmen and the Sophomores were given handicaps because of their weakness.

The regular schedule was then played, and so well were the handicaps figured that it resulted in a four way tie. Because of this playoffs had to be held. The Seniors defeated the Juniors 2 to 1 and the Sophomores succumbed to the Freshmen 5 to 1. In the final game the Seniors were unable to overcome the handicap that the little fellows had, and the Freshmen became the soccer champions of 1954.
BASEBALL

BASEBALL-VARSITY

This year the dear old Alma Mater flashed a bit of her old form and walked off with all of the baseball laurels.

After losing the first game to Balboa, the boys from the Gold Coast tightened down, and led by the strong pitching arm of Max Sanders, fought their way through to victory in the remaining two games.

1ST GAME

On Saturday, January 12, in one of the most interesting high school games seen on the Isthmus in the past few years, Balboa managed to take Cristobal into camp by the close score of 7 to 5.

A satisfied, but disappointed, crowd of C. H. S. rooters, saw our boys out-hit Balboa 8 to 7 and yet lost by two runs. Four errors, all made by our infield, were the main cause of this. Balboa also made four errors, but the breaks were evidently with them.

The game was featured by the marvelous pitching of Max Sanders, who struck out no less than 14 would be hitters.

"Pablo" Beard and Howard Will were Cristobal's outstanding batters: Paul getting 3 beautiful hits and Howard collecting two.

Corrigan and Friday starred for Balboa; Corrigan striking out 9 C. H. S. batters and Friday leading his team with two hits.

2ND GAME

However, a week later at Mount Hope, Balboa High School accompanied by 150 students and their high school band, journeyed to Cristobal to taste defeat, 4 to 1 before the strong pitching of Max "Lefty" Sanders, who limited the Pacific Siders to one run and four scattered hits. Hearne and Parmerlee also pitched high class ball, allowing Cristobal only six hits.

The game was attended by approximately 900 fans who were treated to a high grade of baseball by the future stars from Cristobal and Balboa high schools.

Cristobal scored one run in the second inning, another brace in the fourth and their last tally in the sixth, every man but M. Sanders, E. Durham, and E. Hanna getting one hit.

Balboa scored its lone tally in the fifth inning due to a walk, two singles and one error.

Ed Hanna made one of the most spectacular catches seen in a long time at the Mount Hope park when he went to the left field fence in the eighth inning to spear Friday's lusty bid for an extra base hit.

Max Sanders starred for Cristobal again, fanning out 15 batters and allowing only four hits.

Foster led the Balboa offensive with two hits.

It is interesting to note that Balboa used 15 different players in its attempt to stop the boys from the Gold Coast.

3RD GAME

On January 26, at Balboa, after staging a great uphill battle the Cristobal team nosed out Balboa High, 6 to 5, to clinch the Interscholastic baseball series.

Balboa had enjoyed a 5 to 1 lead up to the sixth inning when the Gold Coasters started their determined drive which led to the championship. The Pacific Siders were held scoreless after the fourth inning as the Cristobal Boys tightened up their defense and Max Sanders fanned eleven of the opposition.

Two runs scored in the eighth inning knotted the score and a passed ball in the ninth enabled the Atlantic Siders to bring the winning run across the plate.

Cristobal scored its first run in the opening inning; Balboa tallied twice in their half of the first, again in the second, again in the third, and their fifth and last run in the fourth; then, as Hearne began to tire, the C. H. S. boys scored in the sixth, tied the score in the eighth and won the old ball game in the ninth when Beard scored the winning run.

Now to hand out a little credit where it belongs. First we wish to praise our new coach for turning out a winner in his first year. Three cheers for Mr. Siminski. Also Mr. Miller deserves a good deal of credit as he really got the boys off to their start with his fine coaching of last year.

However, we doubt if it would have been possible to turn out such a winner without the assistance of such persons as Max Sanders and "Pablo" Beard. In three games Max fanned a total of 40 batters which seems to be some sort of a record for the Isthmus. "Pablo" led the C. H. S. offensive with 6 hits and also had more stolen bases to his credit than anyone else.
One person who had nothing to do with the team deserves a great deal of credit also. To Charlie Heim goes a neat bit of praise for promoting the spirit and enthusiasm necessary to run two special trains to Balboa. Also his assistant and side-kick, Bert Asenco, rates a lot of praise for helping the same general cause.

**INTERCLASS BASEBALL**

After getting off too a very poor start because of bad weather, interclass baseball settled down to what looked like a battle between the Juniors and the Seniors.

It was impossible to run a dummy tournament because of rain but judging from practice sessions both the Frosh and the Sophs were given a handicap of ten runs and after the first game it looked like they needed fifteen.

In the first game the Seniors took the Sophomores over the bumps to a score of 18 to 11 (the handicap included.) Christian and Ashton were unable to hold down Max Sanders, Irl Sanders and Paul Beard who collected four, four, and three hits respectively out of four times at bat. However the combination of Max Sanders and Paul Beard held the Sophs to two hits, Max striking out seven and Paul ten.

In the second game the Juniors just managed to overcome the handicap of the Frosh to beat them 12 to 11. Christian was the leading player for the Juniors striking out ten men and getting three hits. McCarthy and Martin led the Frosh, McCarthy striking out eight men and Martin getting two hits.

In the third game the Seniors just nosed out the Frosh beating them 14 to 13. Beard and Irl Sanders starred again for the Seniors while Martin again led the Freshmen with two hits.

Then the Juniors took a close game from the Sophomores coming out on the top side of a 14 to 15 score. Curtis pitched a one hit game with Keenan getting that single blow. Sullivan and Curtis led the Juniors at the bat each getting two hits. Curtis struck out fourteen men to become the days outstanding star.

In the game to decide who kept the cellar position the Freshman thoroughly whipped the Sophs 6 to 4. McCarthy pitched a fine game for the Freshmen allowing only three hits. Martin was again the outstanding batter collecting two more hits.

In the final big game to decide the champs of 1935 the Seniors daily tripped the Juniors and walked off with the bunching. Paul Beard and Irl Sanders combined to pitch a no-hit, no run game and Claude Berger led the way to an 18 to 0 victory by gathering three hits.

The outstanding players of this series were: for the Seniors, Paul Beard and Irl Sanders who both batted over 80% and teamed to pitch some wonderful games; for the Juniors Curtiss and Sullivan played the best games. Just before the last game Curtis injured a finger and it was due to his absence that the Juniors attribute their loss to the Seniors for the Sophomores Ashton and Christian were outstanding. Ashton leading his team at the bat and Christian pitching some nice games; for the Freshmen the outstanding man was Martin who led his team by a large distance in batting and who played a fine game afield.

**BASKETBALL**
With the track season completed and Interclass basketball laurels carried off by the Senior Class, that final flashing spot has descended upon old C. H. S. Basketball is the outstanding sport of the year and this year promises to be up among some of the best that Cristobal has seen.

Due to the fact that the material for this annual of ours must all be turned in some weeks before the season begins, we will give you summaries of the games as played for as long a period as possible.

The season began with Coach Vinton selecting the following men from the various class teams as members of the varsity squad: M. Sanders (Captain), R. Neely, T. Russell, I. Sanders, H. Will, W. Hanna, W. Cotton, J. Christian, W. Wood, R. Clemens, J. Clay, E. Hoffman.

**Sub Base:**

After a week of strenuous practice the team began a series of practice games. The first of these was with a team of Sailors from the Submarine Base. Score: C. H. S. 39—S. B. 28

**Fleet Air Base:**

The second was with the Fleet Air Base five, whose team ranked second place in the Service League last year. In a very close and hard fought game the C. H. S. basketeers managed to chalk up a one point victory. Score: C. H. S. 22—F. A. B. 21

**Gatun:**

Later on in the week the "Purple and Gold) of the old Alma Mater defeated the Gatun Basket Chuckers by the same score (22-21) in another hotly contested affair.

**Junior College I:**

On April 29, the first league game with the Junior College Boys got underway and when the final whistle was blown the Cristobalites were well out in front. After trailing their older opponents up until the final period was on its way, the C. H. S. dribblers began to click and forged quickly ahead to win by a 22-15 score.

The Silver side’s first quarter attack was quite spectacular, with Captain Joe Elbdon, ‘33, constantly being where the ball happened to be. His blocking and guarding was excellent, and sorrow reigned among his colleagues when he was forced from the game on personal fouls.

The Junior College courtmen ran up six points in the first period. Elbdon opened the scoring with a beautiful one-handed tip in close on the backboard. Close upon its heels Brown followed with two more double deckers. It was after that Captain “Max” Sanders made the lone tally for C. H. S. with his charity chuck.

In the second quarter Junior College held its five point lead. "Max" again scored a foul shot, and later took the ball down the floor to twist one in from under the basket. For Junior College Brown made his third field goal of the day and Crook scored a foul shot and a field goal.

In the third quarter Brown, acting captain, was at a loss without Elbdon, and consequently C. C. was held scoreless. Nevertheless the College played an almost airtight defense and if it were not for two foul shots we should have been held to two points made when Russell reached high above everyone else’s heads to tip in from off of the backboard.

The Last quarter was all Cristobal’s. Twelve points in all, they made during this period. The only College player to find the basket was Lopez playing in place of Walling who made two swishes from a good distance out.

**Balboa I:**

On May 3, the Cristobal team tasted its first defeat of the season at the hands of Balboa High. It is agreed upon by most people who saw the game that the Gold Coast boys outplayed the Balboa five by far but that they had no basket appeal, as a very small percent of their shots would go in. The only Cristobal player who could make any headway was "Bob" Neely who made points as follows: H. Will 1, T. Russell, 2, I. Sanders 1, M. Sanders 2.

Tonnesson, tall Balboa center, led his team on to victory by scoring 10 points followed by W. Friday who made 4 points.

It is interesting to note that C. H. S. made eight of its points via the foul throw route.

**Junior College II:**

On May 6, the Junior College quintet again invaded the C. H. S. gym to play the second of their three game series. This time they were more fortunate than before, defeating the C. H. S. five by a 55-25 margin.

Captain Elbdon, ‘33, hit his well known stride and led his team to victory by scoring 19 points. C. H. S., altho on the short end of the score, played a much improved floor game over their last performance. Outstanding players were Neely and the two Sanders who made 7, 6 and 6 points respectively.

Brown, of Junior College, although overshadowed by his team mate, Elbdon, made eight points towards the College’s victory.

Each player of the College’s starting team contributed at least one basket to their 55 points.

**Balboa II:**

For the second consecutive time this year Balboa has taken Cristobal’s measure; this time to a score of 59-25.

The Cristobal team played like a bunch of rookies from the sticks while Balboa passed and shot like a group of professionals.

The only player who showed any class for C. H. S. was “Max” Sanders who scored 9 points.

"Max” worked mighty hard but received no support from his teammates. Both Russell and I. Sanders had bad cases of the butterfingers and seemed unable to hold on to the ball.

Elbdon played a beautiful game in the person of Walter Friday who succeeded in scoring 23 points, as many as the whole C. H. S. team combined could chalk up.

Tonnesson, Balboa’s center, who starred in the first game was unable to get past Russell this time however and was relieved shortly after the half by Kroemer who was unable to score any points either.

This game gives Balboa a 2 to 0 advantage over Cristobal in a five game series. If C. H. S. cannot win the next game the season will come to an end with Balboa having gone undefeated.

**INTERCLASS BASKETBALL**

For the third consecutive time this year the Senior Class outplayed their opponents to win, this time, the Interclass Basketball League. Only once during the entire series did the Senior team suffer a loss. This was at the hands of the Sophomore team, who, with the help of a 15 point handicap managed to win by a mere two points.

The Seniors deserve a great deal of credit for winning as they had a terrible handicap to overcome in every game they played. The handicaps were as follows: Seniors 0; Juniors 10; Sophomores 15; Freshmen 30.
A brief summary of the games follows:

In the first game the Seniors ran up 46 points while the Frosh were making 15; the game thus ended with a score of 46-45.

The Juniors, although they showed fine spirit throughout the league, never clicked and for this reason lost their first game to the Sophs 28-22.

In the next game the Seniors proved that their eyes and team-work were improving by running up 57 points, while the Sophs ran up the highest number of points, with the exception of the Seniors, of any team—50 in all. Final score 57-45.

The next game was a seesaw affair with the Juniors defeating the Frosh by the close score of 47-45. The fifth game of the series was won by the Sophs when they defeated their great rivals, the Frosh, with a 36-30 score. That same day the non-functioning Juniors lost their game to the Seniors by a 55-21 score.

On the next day the Seniors set up the high score for the series by defeating the Frosh 75-46. The Juniors again came into the lime-light when they romped home with a 55-31 victory over the Sophs and the next day they defeated the Frosh by a score of 42-27.

In the next game the Seniors met their only defeat at the hands of the Sophs who held them to 55 points while they piled up 37 for themselves. This game somewhat renewed interest in the league as another Senior defeat would have tied the league.

The final games proved very interesting. The Frosh surprised everybody by winning their only victory by defeating the Sophs 26-25, and in the deciding game of the series the Seniors defeated the Juniors 35-22.

**Varsity Track**

In what was believed would be a close meet, before the event, Balboa walked away with the annual Track and Field meet which was held at the Balboa Stadium, on Saturday, March 9.

Paul Beard, Cristobal sprint man and one of the best that pulled on a spiked shoe on the Isthmus, established a new mark of 5.4 in the 50-yard dash. A few minutes later he came back to tie his own record of 9.9 in the 100-yd. dash.

Quintero and Kromer were Balboa's outstanding men in the meet. Quintero tied the 880 yard run of 2:16.6. Jack Kromer, Captain of the Balboa team was high point man for the winners with firsts in the broad jump and high jump and a third in the discus throw. Evers also scored heavily for Balboa winning the shot put and discus events.

Beard was the outstanding individual performer of the meet. In addition to his easy victories in the 50 and 100-yard events, he was anchor man on the winning relay team.

Beard's 5.4 in the 50-yd. dash not only beat the local school record by two tenths of a second but equaled the national inter-scholastic record.

INTERCLASS TRACK

This year the Senior class repeated its victory of last year to run away with the meet even after the other teams received a total of 85 points in handicaps.
The Juniors were very poorly represented in the meet; the Freshmen had only two men to enter any of the events; the Sophomores were well represented; as were the Seniors.

No records were broken but the returns were fairly good. Arthur Smith broke the high jump record but because he was a five year man his mark cannot be counted as a record.

Following is a summary of the results of the meet in the order in which they took place. Handicaps were given as follows: Frosh 35, Sophs 25, Juniors 25, Seniors 0. The scoring was tabulated on a basis of four places counting in which 1st—5 points, 2nd—3 points, 3rd—2 points, 4th—1 point.

GIRLS' SPORTS
By Mary Ruth Riedel

VOLLEY BALL

Something new in the way of sports was added this year. The interclass games were played before varsity practice began. To be eligible for varsity a girl had to be on her class team.

The interclass games were held on October twenty-fourth in the gym. The classes were divided into two teams: Freshmen and Juniors on one; Seniors and Sophomores on the other. Two games were played with the Seniors and Sophomores victorious in both, the scores being 6-21 and 8-21.

From the stars participating in these games the varsity was picked.

BALBOA vs. CRISTOBAL

The series started in Cristobal where we took the lead. In the second set of games Cristobal was badly beaten at Balboa. The third set was played in Cristobal, where only one game was played. This game was won by Balboa thereby giving her the series.

This year for the first time games were played with the Junior College. This broke the monotony of playing the same team all the time, and it is hoped that this will be continued in future years.

BASKETBALL

GIRLS BASKETBALL

Intercal basketball started with a "bang" this year. Almost all classes had very good turnouts. The girls started practicing December 10. They carried on faithfully right through the Christmas holidays and into January.

On January 9 the first game was held between the Sophomores and Freshmen, and the final score was 17-0 in favor of the Sophomores. In this game the Freshmen put up a hard but loosing fight.

January 10, the play-off was held between the Upperclassmen and the victorious Sophomores. The score of this game was 14 to 10, thus making the Sophomores the school champions.

Interclass basketball began January 19, in Cristobal. The first game was the closest of the series. This was a well played and hard fought game. The second game in Balboa was a "walkaway" for Balboa; while in the third, which was held in our gym, was a "push over" for Cristobal.

Officer: What's the matter? What do you see?
Sailor: There's something ahead, sir, and it has red and green lights. I think it must be a drug store.

Tom: I've changed my mind.
Bill: Fine. I hope this one works.

Nervous Passenger (on maiden flight): H-her-e-t-t-tell me when you're going to loop-the-loop again.
Pilot: Well, I don't always know.
