

TABLE OF CONTENTS AND INDEX OF VOLUME XXI

Berger, E. W. The mango shield scale, its fungus parasite and control. 2 figs.	1-4
Berry, Dean F. Description of new vernal form of <i>Thecla wittfeldii</i> Edwards. (Lepidoptera: Lycaeinae)	13-14
Hill, S. O. Important pecan insects of northern Florida	9-13
Jacot, Arthur Paul. The geenton mites of Florida (Grossman Collection—III). 4 figs.	49-57
Kaston, B. J. Notes on a new variety of black widow spider from southern Florida	60-61
Miller, Ralph L. Entomological recommendations	4-8
Preer, J. R. <i>Sericothrips langei</i> Moul. in Florida	30
Reed, L. B. Advantages of statistical methods for the practical entomologist	33-38
Tissot, A. N. Report of the 1938 annual meeting of the Florida Entomological Society	58-59
Tissot, A. N. The gross anatomy of the digestive and reproductive systems of <i>Naupactus leucoloma</i> Boh. (Curculionidae, Coleoptera). 1 pl., 8 figs.	20-27
Watson, J. R. A new Liothrips from Spanish moss— <i>Liothrips den-dropogonis</i> n. sp.	14-15
Watson, J. R. A remarkable flight of butterflies	62
Watson, J. R., and J. R. Preer. A new <i>Frankliniella</i> (Thysanoptera) from Florida. 2 figs.	17-19
Wilson, J. W. Notes on <i>Pamera</i> populations on various types of plant communities in the vicinity of Plant City. 2 tables	28-30
Wisecup, C. B., and L. B. Reed. Laboratory studies of poisoned baits for the control of the southern armyworm. 5 tables	39-47 & 62-63

INDEX OF VOLUME XXI

<i>Acrobasis caryae</i> Grote, 9	Coleoptera, 20
<i>caryivorella</i> Rag., 12	<i>Curculio caryae</i> (Horn), 13
<i>juglandis</i> (LeB.), 11	Curculionidae, 20
Analysis of variance, 33	
Armyworm	<i>Datana integerrima</i> G. & R., 12
semitropical, 39	Digestive system, <i>Naupactus</i>
southern, 39, 62	<i>leucoloma</i> , 21
<i>Beauveria bassiana</i> (Bals.) Vuill., 30	<i>Dolichere-maeus</i> gen. nov., 51
Berger, E. W., 1	<i>rubripedes</i> sp. nov., 51
Berner, Lewis, 58	
Berry, Dean F., 14	Entomological recommendations, 14
Black pecan aphid, 11	<i>Eremaeus</i> , 51
Black widow spider, 60	<i>Euschistus euschistoides</i> Voll., 12
<i>Brachyrhinus ligustici</i> L., 20	<i>Exoribatula juglans</i> sp. nov., 51
Butterflies, 62	
<i>Cephalosporium lecanii</i> , 3	<i>Frankliniella pontederiae</i> n. sp., 17
<i>Chrysobothris femorata</i> (Oliv.), 12	<i>fusca</i> , 19
<i>Chrysomphalus obscurus</i> (Comst.),	<i>Fuscozetes</i> , 53
13	<i>bidentatus</i> , 53
<i>Coccus mangiferae</i> (Green), 1	<i>fuscipes</i> , 53
<i>Coleophora caryaefoliella</i> Clem., 12	<i>setosus</i> Koch, 53
	<i>setosus floridae</i> comb. nov., 54
