New York Gets A Breath Of Spring

February, 1950

April is the month when the world wakes up. The trees begin to bud, the flowers bloom, and the sun shines longer each day. People enjoy the warmth and fresh air outside. It's a time for new beginnings and fresh starts.

Cheaply since becoming a member. Cut by 36 million dollars today in allocation for buying wheat was made on the floor of the New York Grain Exchange by a member of the Chicago Board of Trade.
