BY THE WAY... By Beachcomber

A COSTUMER wrote a note: "Your service was such a huge hit the other day, that I am ordering a married couple of shirts for my son and his wife."

By the way, the name still gets into print, what can be said of the service? Nothing! Why, it's just as good as ever. A rare happening, but it's nice to have that kind of thing happen. I hope to return soon again.

CARIB CALLING

Double Celebration

On MIDNIGHT at Cornwood, there was an adventurous group of people who gathered to greet the dawn. This group included a group of four from Oxford who had arrived from New York and London who had been in Spain the previous night. Among them were Mr. and Mrs. R.M. and Mrs. J.R. and Mr. and Mrs. J.H.

The group sat on the steps of the Cornwood Hotel, enjoying the view of the Cornwood Cathedral, and laughing at the antics of the Cornwood Dodgers. Mr. and Mrs. R.M. and Mrs. J.R. and Mr. and Mrs. J.H. spent the night in the Cornwood Hotel, enjoying the view of the Cornwood Cathedral, and laughing at the antics of the Cornwood Dodgers.
