No More Cord
Will Be Made
Locally

IT IS LIKELY that no more cord
will be made locally. The factory
that published the Office of the
Air Ministry and the Admiralty  
was closed on July 1.

Cord is an important item of 
and tight bunches of Mr. Bull
one hag of spice. 20 cases of pre-
Dy-mlnlca with 91 casks, five har-
mand of Capt. Gumbs. came from
Vessel Corlbboe.

The Chaguanas Remembrance Day
is on Monday. The day will be
observed in the usual manner, with
a parade, speeches, and the laying
of wreaths at the cenotaph.

A NEWHEAR Notice
published by the Board of 
Food Supplies and Privies stated
that special permits would be
granted for the sale of certain 
commodities, including cord, in
the districts of Chaguanas, Arima,
and San Juan.

A notice regarding the sale of 
commodities for the period of
the month of July will be
announced shortly.

On the 10th of the month there
was a fire in the warehouse of
R. E. Shepman & Co., Ltd., in
the Chaguanas market. The
warehouse contained a large
stock of cord, and the fire was
said to have been caused by
ignition.
