Pig Bites
Man On Left Hand

YESTERDAY MORNING around 9 a.m., Mr. J. A. Allyne was returning to his home at the Hillcrest area of St. George when he was bitten by a pig. He was bitten on the left hand and when he attempted to call the animal it ran into brush and disappeared. The wound was treated at the General Hospital and Mr. Allyne was discharged from hospital to return to his home.

Travel Air-Sea Agreement

THE Air-Sea Agreement, recently signed by the British and French Governments, has been signed also by the West Indies Federation. The agreement provides for the establishment of an Air-Sea Rescue Service for the West Indies and the British West Indies. The service will be operated by the Royal Air Force and the Royal Navy, and will be financed by the Governments of the West Indies and the United Kingdom.

Cotton Talks Next Month

The Agricultural Department is preparing a report on the cotton industry in the West Indies. The report will cover the production, consumption, and marketing of cotton in the region. The report will be released in November, and will be available for public examination.

Savings Bank Was Busy

The Savings Bank, located in the downtown area of St. John, was busy with customers throughout the day. Many people came to the bank to deposit or withdraw money, or to open new accounts. The bank was open for business from 9 a.m. to 4 p.m.
