U.N. Forces Push On Past Wonní After Week Long Lull

United Nations forces pressing across rugged hill country in their new offensive today by passed bomb-battered Paichon in Northwest Korea and reached beyond Wonní, about 15 miles farther west.

After a week's fighting, American, British, Australian, and South Korean troops jumped off from the Changdong river headwaters towards the Manchurian border. Paichon is about 8 miles north of the river. Meanwhile, British and Australian troops established a road block about one mile south of the town.

French Evacuate Another Post

BAGDON, Nov. 11. French troops operating among rambunctious student mobs in the southern city of Marseilles have been driven from their post at the University by angry students, who have overrun the building.

The French Ministry announced today that a Communist smash attack on the University had been repulsed.

The attack was on the University of Marseilles, which is one of the southern hot beds of student unrest.

The Unions have criticized the French Government for not doing enough to pacify the student unrest.

Four Hour Strike Called

The British and Irish trade unions today called for a four-hour strike tomorrow to protest against the Government's decision to raise the price of petrol.

The unions said they had decided to call the strike in protest against the Government's decision to raise the price of petrol.
