Law in the Colonies "Too Rigid" Centuries-Old English Precedents Not Enough

Criticism of Ex-Chief Justice

"...the responsibility of the Colonial judiciary: to accept and compare them with the constitutions of Barbados and South Africa and those of the Dominions, and to see how far the British constitution is to have applied to the Colonies."..."

Loneliest Island Will Be Developed

$120,000 EXPENDITURE

For years the southern waters near Tristan da Cunha were known as the "South Atlantic's Dark Side." The 800-mile long by 50-mile wide volcanic island, 1,700 miles east of the West Indies, with an area of 7 square miles, is the most remote inhabited island in the world. Three factors helped him: sympathy because: "I've just got plain fed up with the weather."

In Search of a Cook

For Its population of 230, whose daily diet consists of root vegetables, fish and porcupine, the island's greatest need is a good cook. Since the last Cook was discharged for insubordination, the Island Governor has placed an urgent advertisement in London.

Ferrol, the watchdog of your health

There is a considerable feeling about the drugs that are marketed as good food, a feeling of security and peace of mind.

Ferrol provides the same feeling with regard to your health: if you take a course of six bottles of Ferrol every few months you can feel that you have taken excellent prescriptions to maintain good health.

Ferrol with Cod Liver Oil, Iron, and Phosphorus, with a high Vitamin A and D content, is a resistance builder. It is your best protection against any infection that is stirring. Take some now to ensure that this Christmas you will be free of illness and able to enjoy the pleasures of the holiday season.

Ferrol is the world's best-tonic.
