STAGNATION

BARBADOS is a tiny island, a reality
albeit, among the thousands of others
astride, some tiny, some large in the
Atlantic Ocean.

Its population is substantial compared
to Jamaica which only has 2,137,000. Yet,
Barbados with an estimated population of
83,000 scored on the prospects of its small
size and because of the relatively small
number of people who live here, afford to
be obstinate to those who offer them befriens

mint.

The British taxpayer by means of the
Colonial Development and Welfare Fund,
the Barbados taxpayer by means of the
Barbados Government and the Canadian
Government by the provision of
