The 'Phone Has Gone Up Sixpence In 67 Years

It is beautifully cool in the center of the city, and it is generally quiet in the streets. This afternoon the heat is a little less, and the west wind makes it not at all uncomfortable. The conditions are still the same as they were yesterday, and there is no indication of any change in the immediate future. The temperature is expected to remain steady, with a slight increase in the early hours of the morning. The city is quiet, and the streets are deserted.

The weather has been very pleasant, and the people are enjoying themselves. The temperatures have been moderate, and the humidity is not too high. The sun shining brightly has made the day very enjoyable. The weather is expected to remain the same for the next few days.
