Ken Farnum A Real Champion
McD. Lloyd and D. Grant Promising

BY T. GALE

MY FIRST THOUGHT about the Athletic Sports after a week in which to think over is what a happy decision it was to have three days instead of two. Kenneth H lew

reminded those who thought that we should not have three days, the first day of the Athletic Sports at the Victoria Park, on Saturday last, was more

than that the Sports were

beneficial in themselves, but also that they would have been able to be held in the same week as the Inter-Colonial Games. The

Sports were well attended and there was a good show of support from

the public, who turned up in force to witness the events.

Local

Long Distances

There were fifteen in the long distances, including the 200 yards and 400 yards

runs. The weather was fine and the track was in good condition. The 200 yards run went off to

a good start, with the school

boy D.C. Alleyne leading, followed by E. M. Parry and

C. Alleyne. The 400 yards run

was equally exciting, with D. Grant and C. Alleyne vying for the lead. The

school boys did well in the long distances, but the

school girls

did not fare as well.

School-boys Events

The school boys were well

represented in the school-boys events, including the 100 yards, 220 yards, and

440 yards. The 100 yards run

was won by D. Grant, followed by C. Alleyne and

J. Best. The 220 yards run

was won by C. Alleyne, followed by D. Grant and

J. Best. The 440 yards run

was won by C. Alleyne, followed by D. Grant and

J. Best.

School-girs Events

The school girls did not fare as well in the school-girls events, including the

100 yards, 220 yards, and

440 yards. The 100 yards run

was won by A. Skinner, followed by A. Paixa and

M. Hill. The 220 yards run

was won by A. Skinner, followed by A. Paixa and

M. Hill. The 440 yards run

was won by A. Skinner, followed by A. Paixa and

M. Hill.

Ken's Rival

Yet in all the events which he

took part in, Kenneth H was a

constant rival, and his consistent

rival Harold Slusrl.
