Yachting Season Comes To An End: 'Folly' Wins Frontenae Trophy

(By Our Yachting Correspondent)

Another successful R.B.Y.C. yachting season came to an end when the race for the Frontenae Cup was held on Thursday afternoon. This race was won by the "C" boat Folly, skippered by Pat Toppin.

The Frontenae race is the highlight of the season. The race was first presented in 1941 and that year it was won by the "A" boat, War Cloud, owned and skippered by Policij, who were watching from the sidelines. The race was sailed north and many spectators watched from the sidelines.

On the first, one of the boats pulled away from the rest and the race was stopped. The prizes were presented by Mr. A. R. Toppin, who was representing the Club. The previous occasions were 1948 and 1949.

Dr. W. J. Toppin, who was acting as President, said the hardest job of all. Mr. Toppin called for three cheers for Commodore Wilkinson. Mr. A. R. Toppin then thanked the handicappers who helped. Mr. A. R. Toppin then thanked the handicappers who helped.
