World Might Suffer
If Persia's Rights Are Denied
PERSIA WARNS
TEHERAN, June 9.

The Persian Government today warned the Anglo-Iranian Oil Company that "the whole world might have to suffer if the Company denied the rightful demands of the Persian people." The warning was given in a broadcast from Teheran on the eve of the departure of the official delegation which was leaving London for talks with the Persian Government.

The broadcast exhorted the delegation "to understand that our demands are based on right and justice."
