UK Complete Evacuation From Oilfields

N. Zealand Labour Party Can Win

N.Zealand Labour Party Can Win

IN SEPTEMBER ELECTIONS—

Sept. 16

By GEORGE MCGARDEN

The New Zealand Labour Party could turn the Cun
over in this country's second largest city, Christchurch, 
and probably win. That is the opinion of political an
alysts, and the Labour Party leaders themselves. 

The Labour Party is favored in Christchurch over 
the National Party, whose candidates are made less glo
rious by public apathy and the rural population, 
who cannot vote in Christchurch.

Truman Orders Investigation Of Strike

RICHMOND, Va., Aug. 24

A beneficent and generous spirit, Mrs. Whitehead 
would give a complete answer to the question. 

"Another deadlock? We've got to do some easing 
up in the oil situation."
