**Bird Of Paradise**

**G. E.**

Working uninvited in the grounds of a Georgia plantation, the hero of the picture, played by Jeff Chandler, becomes a thorn in the side of the Countess de Roche, played by Princeess Paula. Parker, a French diplomat, played by Felix Bressart is attracted to the Countess, while Mr. Chandlerfalls in love with her young, crippled niece, played by Debra Paget. Both of these single, passionate young men are driven to madness by their unrequited desire for the Countess.

**Man About Town**

This is a romantic picture about a man and a woman who meet and fall in love. The story is set in Paris and involves a love triangle between the man, the woman, and another woman. The man is played by Robert Taylor, the woman is played by Grace Kelly, and the other woman is played by Ingrid Bergman. The film is directed by Alfred Hitchcock and produced by David O. Selznick.
